

Chimera Acquires Seasoned Residential Mortgage Assets

NEW YORK--(BUSINESS WIRE)-- On August 29, 2014, Chimera acquired the rights to approximately \$4.8 billion of seasoned residential mortgage loans through the purchase of certain subordinate notes and trust certificates in Springleaf Mortgage Loan Trusts 2011-1, 2012-1, 2012-2, 2012-3, 2013-1, 2013-2 and 2013-3. By purchasing these securities, Chimera may over time, at its option, terminate the securitization trusts by redeeming all outstanding bonds at par and obtain the underlying mortgage collateral in accordance with each respective trust indenture.

“In an environment with limited loan originations, this transaction gives Chimera access to a large amount of seasoned residential mortgage loans which may be securitized into new investments. The deals will be callable over the next two years and will provide us a robust securitization pipeline subject to market conditions,” said Mohit Marria, Chimera’s CIO.
