Ladies and Gentlemen:

Chimera Investment Corporation, a Maryland corporation (the “Company”), proposes to issue and sell to the several underwriters named in Schedule A annexed hereto (the “Underwriters”), for whom Morgan Stanley & Co. LLC, RBC Capital Markets, LLC, UBS Securities LLC, Wells Fargo Securities, LLC, Keefe, Bruyette & Woods, Inc. and Piper Sandler & Co. are acting as the representatives (the “Representatives”), \$115,000,000 principal amount of

its 8.875% Senior Notes due 2030 (the “Firm Securities”), to be issued pursuant to the provisions of the base indenture, dated as of April 13, 2020 (the “Base Indenture”), as supplemented by the fourth supplemental indenture, to be dated as of September 16, 2025 (the “Fourth Supplemental Indenture”, and together with the Base Indenture, the “Indenture”), each by and between the Company and Wilmington Trust, National Association, as trustee (the “Trustee”). In addition, the Company proposes to grant to the Underwriters the option to purchase from the Company up to an additional \$17,250,000 aggregate principal amount of its 8.875% Senior Notes due 2030 (the “Additional Securities”) to cover over-allotments, if any, upon the terms and conditions set forth in Section 1 hereof. The Firm Securities and the Additional Securities are hereinafter collectively sometimes referred to as the “Securities.” To the extent there are no additional Underwriters named in Schedule A other than the Representatives, the term Representatives as used herein shall mean the Underwriters, and the terms Representatives and Underwriters shall mean either the singular or plural as the context requires.

The Company has filed, in accordance with the provisions of the Securities Act of 1933, as amended, and the rules and regulations thereunder (collectively, the “Securities Act”), with the Securities and Exchange Commission (the “Commission”) an automatic shelf registration statement on Form S-3 (File No. 333-283045), as amended, including a base prospectus (the “Base Prospectus”), with respect to the Securities, and which incorporates by reference documents which the Company has filed or will file in accordance with the provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (collectively, the “Exchange Act”), which registration statement became effective upon filing under Rule 462(e) of the Securities Act. Promptly after execution and delivery of this Agreement, the Company will prepare and file a prospectus supplement (the “Prospectus Supplement”) to the Base Prospectus included as part of such registration statement setting forth the terms of the offering, sale and plan of distribution of the Securities and additional information concerning the Company and its business. The Company has furnished to the Representatives, for use by the Underwriters and by dealers, copies of one or more preliminary prospectuses, containing the Base Prospectus included as part of such registration statement, as supplemented by a preliminary Prospectus Supplement, and including the documents incorporated by reference in such Base Prospectus or preliminary Prospectus Supplement (each, a “Preliminary Prospectus”), relating to the Securities. Except where the context otherwise requires, such registration statement, as amended when it became effective, including all documents filed as part thereof or incorporated by reference therein, and including any information contained in a Prospectus (as defined below) subsequently filed with the Commission pursuant to Rule 424(b) of the rules and regulations of the Commission under the Securities Act (the “Securities Act Regulations”), collectively, are herein called the “Registration Statement.” The Base Prospectus, including all documents incorporated by reference therein, included in the Registration Statement, as supplemented by the Prospectus Supplement, in the form filed by the Company with the Commission pursuant to Rule 424(b) and Rule 430B under the Securities Act on or before the second Business Day (as defined below) following the date of this Agreement (or on such other day as the parties may mutually agree), is herein called the “Prospectus.” The information included in such prospectus that was omitted from such registration statement at the time it became effective but that is deemed to be part of such registration statement at the time it became effective pursuant to Rule 430B is referred to as “Rule 430B Information.” Any reference herein to the Registration Statement, the Prospectus, any Preliminary Prospectus or any amendment or supplement thereto shall be deemed to refer to and include the documents incorporated by reference therein, and any reference herein to the terms “amend,” “amendment”

or “supplement” with respect to the Registration Statement, the Prospectus or any Preliminary Prospectus shall be deemed to refer to and include the filing after the execution hereof of any document with the Commission deemed to be incorporated by reference therein. For purposes of this Agreement, all references to the Registration Statement, the Prospectus, any Preliminary Prospectus or to any amendment or supplement to any of the foregoing shall be deemed to include any copy filed with the Commission pursuant to its Electronic Data Gathering Analysis and Retrieval System (“EDGAR”), and such copy shall be identical in content to any Prospectus or Preliminary Prospectus delivered to the Underwriters for use in connection with the offering of the Securities, except to the extent permitted by Regulation S-T.

All references in this Agreement to financial statements and schedules and other information which is “contained,” “included” or “stated” in the Registration Statement, any Preliminary Prospectus or the Prospectus (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is incorporated by reference in or otherwise deemed by Securities Act Regulations to be a part of or included in the Registration Statement, any Preliminary Prospectus or the Prospectus, as the case may be; and all references in this Agreement to amendments or supplements to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to mean and include the filing of any document under the Exchange Act which is incorporated by reference in the Registration Statement, such Preliminary Prospectus or the Prospectus, as the case may be.

The Company and the Underwriters agree as follows:

1. Sale and Purchase. Upon the basis of the warranties and representations and subject to the terms and conditions herein set forth, the Company agrees to issue and sell the Firm Securities to the Underwriters, and each of the Underwriters, severally and not jointly, agrees to purchase from the Company the respective aggregate principal amount of Firm Securities set forth in Schedule A annexed hereto opposite its name at the purchase price of 96.85% of the principal amount thereof, plus accrued interest, if any, from September 16, 2025 to the time of purchase. The Company is advised by the Representatives that the Underwriters intend (i) to make a public offering of the Securities as soon as the Underwriters deem advisable after this Agreement has been executed and delivered and (ii) initially to offer the Firm Securities upon the terms set forth in the Prospectus. The Underwriters may from time to time increase or decrease the public offering price after the initial public offering to such extent as they may determine.

In addition, the Company hereby grants to the Underwriters the option to purchase, and upon the basis of the warranties and representations and subject to the terms and conditions herein set forth, the Underwriters shall have the right to purchase, severally and not jointly, from the Company ratably in accordance with the amount of Firm Securities to be purchased by each of them, all or a portion of the Additional Securities as may be necessary to cover over-allotments made in connection with the offering of the Firm Securities at the purchase price to be paid by the Underwriters to the Company for the Firm Securities, plus interest accrued from the time of purchase to the additional time of purchase (as defined below), subject to adjustment in accordance with Section 8 hereof. This option may be exercised by the Representatives on behalf of the Underwriters at any time and from time to time on or before the thirtieth day following the date hereof, by written notice to the Company. Each such notice shall set forth the aggregate principal amount of Additional Securities as to which the option is being exercised and the date and time

when Additional Securities are to be delivered (any such date and time being herein referred to as an “additional time of purchase”); provided, however, that an additional time of purchase shall not be (i) earlier than the time of purchase (as defined below) or (ii) later than the tenth Business Day after the date on which the option shall have been exercised. The principal amount of Additional Securities to be sold to each Underwriter shall be the number which bears the same proportion to the aggregate principal amount of Additional Securities being purchased as the amount of Firm Securities set forth opposite the name of such Underwriter on Schedule A hereto bears to the aggregate principal amount of Firm Securities (subject, in each case, to such adjustment as the Representatives may determine to ensure that the Additional Securities are issued in minimum denominations of \$25 and whole multiples of \$25 in excess thereof). As used herein “Business Day” shall mean a day on which the New York Stock Exchange (the “NYSE”) is open for trading and commercial banks in the City of New York are open for business.

2. Payment and Delivery. Payment of the purchase price for the Firm Securities shall be made to the Company by federal funds wire transfer against delivery of the Firm Securities to the Representatives through the facilities of the Depository Trust Company (“DTC”) for the respective accounts of the Underwriters. Such payment and delivery shall be made at 10:00 A.M., New York City time, on September 16, 2025 (unless another time shall be agreed to by the Representatives and the Company or unless postponed in accordance with the provisions of Section 8 hereof). The time at which any such payment and delivery are actually made is herein sometimes called the “time of purchase.” Delivery of the Firm Securities and Additional Securities shall be made through the facilities of the DTC and shall be in global form, as one or more global notes representing the Securities, unless the Representatives shall otherwise instruct. The Firm Securities so to be delivered or evidence of their issuance will be made available for checking at least 24 hours prior to the time of purchase. Payment of the purchase price for Additional Securities shall be made at each additional time of purchase in the same manner and at the same office as the payment for the Firm Securities. The Additional Securities being purchased on each additional time of purchase or evidence of their issuance will be made available for checking at a reasonable time in advance of such additional time of purchase.

3. Representations and Warranties of the Company. The Company represents and warrants to each of the Underwriters as of the date hereof, the Applicable Time referred to in Section 3(d), as of the time of purchase and, if applicable, at each additional time of purchase that:

(a) (1) At the time the Registration Statement was initially filed, (2) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Securities Act or otherwise (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus), (3) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) of the Securities Act) made any offer relating to the Securities in reliance on the exemption of Rule 163 of the Securities Act and (4) at the date hereof, the Company was and is a “well-known seasoned issuer” as defined in Rule 405 of the Securities Act (“Rule 405”), including not having been and not being an “ineligible issuer” as defined in Rule 405. The Registration Statement is an “automatic shelf registration statement,” as defined in Rule 405, and the Securities, since their registration on the Registration Statement, have been and remain eligible for registration by the Company on a Rule 405 “automatic shelf registration statement”. The Company has not received from the Commission any notice pursuant to Rule 401(g)(2) of the Securities Act objecting to the use of the automatic shelf registration statement form.

At the time the Registration Statement was initially filed, at the earliest time thereafter that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the Securities Act) of the Securities and at the date hereof, the Company was not and is not an “ineligible issuer,” as defined in Rule 405.

(b) The Registration Statement became effective upon filing under Rule 462(e) of the Securities Act on November 7, 2024 and any post-effective amendment thereto also became effective upon filing under Rule 462(e). The Company has not received, and has no notice of, any order of the Commission preventing or suspending the use of the Registration Statement or any post-effective amendment thereto, or threatening or instituting proceedings for that purpose. Any statutes, regulations, contracts or other documents that are required to be described in the Registration Statement or the Prospectus or to be filed as exhibits to the Registration Statement have been so described or filed. The Prospectus Supplement has been or will be so prepared and will be filed pursuant to Rule 424(b) of the Securities Act on or before the second Business Day following the date of this Agreement or on such other day as the parties may mutually agree. The Preliminary Prospectus, at the time of filing thereof, conformed in all material respects to the requirements of the Securities Act. Copies of the Registration Statement, the Preliminary Prospectus and the Prospectus, any such amendments or supplements and all documents incorporated by reference therein that were filed with the Commission on or prior to the date of this Agreement (including one fully executed copy of each of the Registration Statement and of each amendment thereto for the Underwriters) have been delivered to the Underwriters and their counsel (except for documents incorporated by reference that have otherwise been filed and are publicly available on EDGAR). The Company has not distributed any offering material in connection with the offering or sale of the Securities other than the Registration Statement, the Preliminary Prospectus, the Prospectus, Issuer General Use Free Writing Prospectuses (as defined below) or any other materials, if any, permitted by the Securities Act.

(c) Each part of the Registration Statement, and any post-effective amendment thereto, when such part became effective and at each deemed effective date with respect to the Underwriters pursuant to Rule 430B(f)(2) of the Securities Act or was or is filed with the Commission, and the Prospectus and any amendment or supplement thereto, on the date of filing thereof with the Commission and at the time of purchase and, if applicable, at each additional time of purchase, conformed or will conform in all material respects with the requirements of the Securities Act and the Trust Indenture Act of 1939 (the “Trust Indenture Act”). Each part of the Registration Statement, and any post-effective amendment thereto, when such part became effective and at each deemed effective date with respect to the Underwriters or when such part was or is filed with the Commission, did not or will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. The Prospectus, any Preliminary Prospectus and any amendment or supplement thereto, at their respective times of issuance and at the time of purchase and, if applicable, at each additional time of purchase, did not or will not include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that the foregoing shall not apply to statements in, or omissions from, any such document in reliance upon, and in conformity with, written information concerning the Underwriters that was furnished in writing to the Company by the Representatives on behalf of the several Underwriters specifically for use in the preparation thereof.

(d) As of the Applicable Time neither (x) the Issuer General Use Free Writing Prospectus(es) (as defined below) issued at or prior to the Applicable Time, the Term Sheet (as defined herein) and the Statutory Prospectus (as defined below) as of the Applicable Time, all considered together (collectively, the “General Disclosure Package”), nor (y) any individual Issuer Limited Use Free Writing Prospectus, when considered together with the General Disclosure Package, included any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

As used in this subsection and elsewhere in this Agreement:

“Applicable Time” means 3:30 P.M. (New York City time) on September 9, 2025 or such other time as agreed by the Company and the Representatives.

“Issuer Free Writing Prospectus” means any “issuer free writing prospectus,” as defined in Rule 433 of the Securities Act (“Rule 433”), relating to the Securities that (i) is required to be filed with the Commission by the Company, (ii) is a “road show that is a written communication” within the meaning of Rule 433(d)(8)(i) whether or not required to be filed with the Commission or (iii) is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Securities or of the offering that does not reflect the final terms, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained or required to be retained in the Company’s records pursuant to Rule 433(g).

“Issuer General Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by it being specified in Schedule B hereto, including, without limitation, the Term Sheet.

“Issuer Limited Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is not an Issuer General Use Free Writing Prospectus.

“Statutory Prospectus” as of any time means the prospectus relating to the Securities that is included in the Registration Statement immediately prior to that time, including any document incorporated by reference therein.

The Company will prepare a final term sheet (the “Term Sheet”) containing only a description of the final terms of the Securities and their offering, in a form approved by the Underwriters and attached as Schedule B hereto, and acknowledges that the Term Sheet is an Issuer General Use Free Writing Prospectus and will comply with its related obligations set forth in Section 3 hereof. The Company will furnish to each Underwriter, without charge, copies of the Term Sheet promptly upon its completion.

Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Securities or until any earlier date that the Company notified or notifies the Representatives as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or the Prospectus, including any document incorporated by reference therein, and any preliminary or other prospectus deemed to be a part thereof that has not been superseded or modified.

The representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use therein.

(e) The documents incorporated by reference in the Registration Statement, the Preliminary Prospectus, the Prospectus or any amendment or supplement thereto, when they were or are filed with the Commission under the Securities Act or the Exchange Act, as the case may be, conformed or will conform in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable and, when read together with the other information in the Registration Statement, the General Disclosure Package and the Prospectus (as applicable), (i) at the time the Registration Statement became effective, (ii) at the earlier of time the Prospectus was first used and the date and time of the first contract of sale of Securities in this offering and (iii) at the Applicable Time, did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(f) The consolidated financial statements of the Company, together with the related schedules and notes thereto, set forth or included or incorporated by reference in the Registration Statement, the General Disclosure Package, and the Prospectus are accurate in all material respects and fairly present the financial condition of the Company on a consolidated basis as of the dates indicated and the results of operations, changes in financial position, stockholders' equity and cash flows for the periods therein specified are in conformity with generally accepted accounting principles consistently applied throughout the periods involved (except as otherwise stated therein). The selected financial and statistical data included or incorporated by reference in the Registration Statement and the Prospectus present fairly the information shown therein and, to the extent based upon or derived from the financial statements, have been compiled on a basis consistent with the financial statements presented therein. No other financial statements are required to be set forth or to be incorporated by reference in the Registration Statement or the Prospectus under the Securities Act. The interactive data in eXtensible Business Reporting Language incorporated by reference in the Registration Statement, the Prospectus or any Permitted Free Writing Prospectus fairly present the information called for in all material respects and have been prepared in accordance with the Commission's rules and guidelines applicable thereto.

(g) The Preliminary Prospectus was, and the Prospectus and the General Disclosure Package delivered to the Underwriters for use in connection with this offering will be, identical to the versions of the Preliminary Prospectus, Prospectus and the General Disclosure Package, respectively, created to be transmitted to the Commission for filing via EDGAR, except to the extent permitted by Regulation S-T.

(h) The Company has been duly formed and incorporated and is validly existing as a corporation in good standing under the laws of the State of Maryland, is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction in which its ownership or lease of property or assets or the conduct of its business requires such qualification, except where the failure to so qualify would not have a material adverse effect on the business, assets, properties, prospects, financial condition or results of operation of the Company and the Subsidiaries taken as a whole (a “Material Adverse Effect”), and has full corporate power and authority necessary to own, hold, lease and/or operate its assets and properties, to conduct the business in which it is engaged and as described in the General Disclosure Package and the Prospectus and to enter into and perform its obligations under this Agreement and to consummate the transactions contemplated hereby, and the Company is in compliance in all material respects with the laws, orders, rules, regulations and directives issued or administered by such jurisdictions.

(i) Each subsidiary of the Company (each, a “Subsidiary” and, together, the “Subsidiaries”) has been duly formed or incorporated and is validly existing as a limited liability company or corporation in good standing under the laws of the jurisdiction of its incorporation or formation, is duly qualified to do business and is in good standing in each jurisdiction in which its ownership or lease of property or assets or the conduct of its business requires such qualification, except where the failure to so qualify would not have a Material Adverse Effect, and has full corporate or limited liability company power and authority necessary to own, hold, lease and/or operate its assets and properties, to conduct the business in which it is engaged and as described in the General Disclosure Package and the Prospectus and to enter into and perform its obligations under this Agreement and to consummate the transactions contemplated hereby, and each of the subsidiaries is in compliance in all material respects with the laws, orders, rules, regulations and directives issued or administered by such jurisdictions.

(j) The Company has no “significant subsidiaries” (as such term is defined in Rule 1-02 of Regulation S-X promulgated under the Securities Act) other than Chimera RMBS Whole Pool LLC, Chimera RMBS LLC, Chimera RR Holding LLC and CIM Trading Company LLC and, except for the equity of the Subsidiaries, does not own, directly or indirectly, any shares of stock or any other equity or long-term debt securities of any corporation or have any equity interest in any firm, partnership, joint venture, association or other entity, other than interests in Kah Capital GP Holdings II, LLC and Kah Capital Mortgage Credit Fund (US) II, LP and their respective subsidiaries. Complete and correct copies of the articles of incorporation and of the bylaws of the Company and all amendments thereto have been delivered to the Representatives (or otherwise made available on EDGAR) and, except as set forth in the exhibits to, or incorporated by reference into, the Registration Statement, no changes therein will be made subsequent to the date hereof and prior to the time of purchase or, if applicable, each additional time of purchase.

(k) Neither the Company nor any of the Subsidiaries is in breach of, or in default under (nor has any event occurred which with notice, lapse of time, or both would result in any breach of, or constitute a default under), (i) its articles of incorporation or bylaws or operating agreement, as applicable or (ii) any obligation, agreement, covenant or condition contained in any contract, license, repurchase agreement, indenture, mortgage, deed of trust, bank loan or credit agreement, note, lease or other evidence of indebtedness, or any lease, contract or other agreement or instrument to which it is a party or by which it or any of its assets or properties may be bound or affected, the effect of which breach or default under this clause (ii) could have a Material Adverse Effect. The execution, delivery and performance of this Agreement and the Indenture, the issuance and sale of the Securities and the consummation of the transactions contemplated hereby, will not

conflict with, or result in any breach of, constitute a default under or a Repayment Event (as defined below) under (nor constitute any event which with notice, lapse of time, or both would result in any breach of, constitute a default under or a Repayment Event under), (i) any provision of the articles of incorporation or bylaws of the Company or operating agreement of any Subsidiary, (ii) any provision of any contract, license, repurchase agreement, indenture, mortgage, deed of trust, bank loan or credit agreement, note, lease or other evidence of indebtedness, or any lease, contract or other agreement or instrument to which the Company or any of the Subsidiaries is a party or by which any of them or any of their assets or properties may be bound or affected, the effect of which could have a Material Adverse Effect, or (iii) under any federal, state, local or foreign law, regulation or rule or any decree, judgment or order applicable to the Company or any Subsidiary. As used herein, a “Repayment Event” means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any Subsidiary.

(l) All of the issued and outstanding shares of capital stock of the Company have been duly and validly authorized and issued and are fully paid and non-assessable, have been issued in compliance with all federal and state securities laws and were not issued in violation of any preemptive right, resale right, right of first refusal or similar right.

(m) This Agreement has been duly authorized, executed and delivered by the Company.

(n) The Base Indenture has been duly qualified under the Trust Indenture Act. The Indenture has been duly authorized by the Company and, when the Fourth Supplemental Indenture has been duly executed and delivered in accordance with its terms by each of the parties thereto, the Indenture will constitute a valid and legally binding agreement of the Company enforceable against the Company in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors’ rights generally or by equitable principles of general applicability.

(o) The descriptions of the Indenture and the Securities set forth under the heading “Description of the Notes” in the Prospectus Supplement and “Description of the Debt Securities” in the Base Prospectus, insofar as such statements purport to summarize certain provisions of the Securities and the Indenture, provide a fair summary of such provisions.

circumstances under which they were made, not misleading, or if it is necessary at any time to amend or supplement the Prospectus to comply with any law. If within the time during which a Prospectus relating to the Securities is required to be delivered under the Securities Act any event shall occur or condition shall exist which, in the reasonable opinion of the Company, the Representatives or counsel for the Underwriters, would require the making of any change in the Prospectus then being used, or in the information incorporated by reference therein, so that the Prospectus would not include an untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary at any time to amend or supplement the Prospectus to comply with any law, the Company will notify the Representatives and promptly prepare and furnish to the Underwriters copies of the proposed amendment or supplement before filing any such amendment or supplement with the Commission and thereafter promptly furnish, at the Company's own expense, to the Underwriters and to dealers copies in such quantities and at such locations as the Representatives may from time to time reasonably request of an appropriate amendment to the Registration Statement or supplement to the Prospectus so that the Prospectus as so amended or supplemented will not, in the circumstances when it is so delivered, be misleading or so that the Prospectus will comply with the law. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement relating to the Securities or the Statutory Prospectus or any preliminary prospectus or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances, prevailing at that subsequent time, not misleading, the Company will promptly notify the Representatives and will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(h) The Company will make generally available to its stockholders as soon as practicable, and in the manner contemplated by Rule 158 of the Securities Act but in any event not later than 15 months after the end of the Company's current fiscal quarter, an earnings statement (which need not be audited) covering a 12-month period beginning after the date upon which the Prospectus is filed pursuant to Rule 424(b) under the Securities Act that shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder and will advise the Underwriters in writing when such statement has been made available.

(i) The Company will furnish to the Representatives a signed copy of the Registration Statement, as initially filed with the Commission, and of all amendments thereto (including all exhibits thereto and documents incorporated by reference therein) and such number of conformed copies of the foregoing (other than exhibits) as the Representatives may reasonably request.

(j) The Company will apply the net proceeds from the sale of the Securities in the manner set forth under the caption "Use of Proceeds" in the Prospectus.

(k) Within the time during which a Prospectus relating to the Securities is required to be delivered under the Securities Act, the Company will furnish to the Representatives, not less than two Business Days before a filing with the Commission, a copy of any document proposed to be filed pursuant to Section 13, 14 or 15(d) of the Exchange Act and during such period will file all such documents in a manner and within the time periods required by the Exchange Act.

(l) During the period beginning on the date hereof and continuing to and including 30 days after the date hereof (the "Lock-Up Period"), without the prior written consent of the Representatives, which may not be unreasonably withheld, on behalf of the Underwriters, the Company will not sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, directly or indirectly, any debt securities issued or guaranteed by the Company or its subsidiaries or any securities convertible into or exchangeable or exercisable for debt securities issued or guaranteed by the Company or file or cause to be declared effective a registration statement under the Securities Act with respect to any of the foregoing.

(m) The Company will use its best efforts to cause the Securities to be listed on the NYSE within the time period specified in the Prospectus and to maintain such listing and to file with the NYSE all documents and notices required by the NYSE of companies that have securities that are listed on the NYSE. Prior to the time of purchase, the Company will cause the Securities to be registered under the Exchange Act by filing with the Commission a registration statement on Form 8-A.

(n) The Company will maintain and keep accurate books and records reflecting its assets and maintain internal accounting controls which provide reasonable assurance that (i) transactions are executed in accordance with management's authorization, (ii) transactions are recorded as necessary to permit the preparation of the Company's consolidated financial statements and to maintain accountability for the assets of the Company, (iii) access to the assets of the Company is permitted only in accordance with management's authorization and (iv) the recorded accounts of the assets of the Company are compared with existing assets at reasonable intervals.

(o) The Company will maintain, at its expense, a trustee, registrar and paying agent for the Securities.

(p) The Company will pay all expenses, fees and taxes (other than any fees and disbursements of counsel for the Underwriters, except as set forth under Section 5 hereof or (v), (vii) and (xi) below) in connection with (i) the preparation and filing of the Registration Statement, each Preliminary Prospectus, the Prospectus, any Permitted Free Writing Prospectus and any amendments or supplements thereto, and the printing and furnishing of copies of each thereof to the Underwriters and to dealers (including costs of mailing and shipment), (ii) the issuance, sale and delivery of the Securities by the Company, (iii) any fees charged by rating agencies for rating the securities, if any, (iv) the word processing and/or printing of this Agreement, any dealer agreements, and the reproduction and/or printing and furnishing of copies of each thereof to the Underwriters and to dealers (including costs of mailing and shipment), (v) the costs and expenses of the Company relating to investor presentations on any "road show" undertaken in connection with the marketing of the Securities, including without limitation, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations, travel and lodging expenses of the representatives and officers of the Company and any such consultants, and the cost of aircraft and other

transportation chartered in connection with the road show, except that the lodging, airfare (except if the Company charters a flight in which case employees of the Underwriters ride on such charter without charge), and incidental expenses of employees of the Underwriters shall be the responsibility of the Underwriters, (vi) the qualification of the Securities for offering and sale under state laws and the determination of their eligibility for investment under state law as aforesaid (including the legal fees and filing fees and other disbursements of counsel to the Underwriters) and the preparation, printing and furnishing of copies of any blue sky surveys or legal investment surveys to the Underwriters and to dealers, (vii) any listing of the Securities on the NYSE and any registration of the Securities under the Exchange Act and the approval for book-entry transfer by DTC, (viii) the filing, if any, for review of the public offering of the Securities by FINRA, (ix) the performance of the Company's other obligations hereunder, (x) the fees and expenses of the Trustee and any agent of the Trustee and the fees and disbursements of counsel for the Trustee in connection with the Indenture and the Securities, (xi) the reasonable fees and disbursements of counsel for the Underwriters in an amount not to exceed \$150,000 in connection with the offering, and (xii) the costs and expenses (including without limitation any damages or other amounts payable in connection with legal or contractual liability) associated with the reforming of any contracts for sale of the Securities made by the Underwriters caused by a breach of the representation contained in the first paragraph of Section 3(d).

(q) The Company will assist the Underwriters in arranging for the Securities to be eligible for clearance and settlement through DTC.

(r) The Company will not and will cause the Subsidiaries not to (i) take, directly or indirectly, prior to the termination of the underwriting syndicate contemplated by this Agreement, any action designed to stabilize or manipulate the price of any security of the Company, or which may cause or result in, or which might in the future reasonably be expected to cause or result in, the stabilization or manipulation of the price of any security of the Company, to facilitate the sale or resale of any of the Securities, (ii) prior to the termination of the underwriting syndicate contemplated by this Agreement, sell, bid for, purchase or pay any Person (other than as contemplated by the provisions hereof) any compensation for soliciting purchases of the Securities or (iii) prior to the expiration of the Lock-Up Period or any applicable waiver thereof granted after the date hereof, pay or agree to pay to any Person any compensation for soliciting any order to purchase any other securities of the Company, excluding any such compensation relating to the Company's existing equity incentive plan, in each case, other than permitted activity pursuant to Regulation M under the Exchange Act or Rule 10b-18 under the Exchange Act.

(s) The Company will not invest in futures contracts, options on futures contracts or options on commodities unless the Company is exempt from the registration requirements of the Commodity Exchange Act, as amended, or otherwise complies with the Commodity Exchange Act, as amended. In addition, the Company will not engage in any activities which might be subject to the Commodity Exchange Act, as amended, unless such activities are exempt from that Act or otherwise comply with that Act or with an applicable no-action letter to the Company from the Commodities Futures Trading Commission.

(t) The Company will comply with all of the provisions of any undertakings in the Registration Statement.

(u) The Company is organized and operated in conformity with the requirements for qualification and taxation of the Company as a REIT under the Code, and the Company's proposed methods of operation will enable the Company to continue to meet the requirements for qualification and taxation as a REIT under the Code for subsequent taxable years.

(v) The Company will not be or become, and will cause each of the Subsidiaries not to be or become, at any time prior to the expiration of three years after the date of the Agreement, required to register as an "investment company," as such term is defined in the Investment Company Act.

(w) The Company has retained the Accountants as its qualified accountants and qualified tax experts (i) to test procedures and conduct annual compliance reviews designed to determine compliance with the REIT provisions of the Code and (ii) to otherwise assist the Company in monitoring appropriate accounting systems and procedures designed to determine compliance with the REIT provisions of the Code.

(x) The Company will comply with all requirements imposed upon it by the Securities Act, the Exchange Act and the Trust Indenture Act as from time to time in force, so far as necessary to permit the continuance of sales of, or dealings in, the Securities as contemplated by the provisions hereof and the Prospectus.

(y) The Company will maintain such controls and other procedures, including, without limitation, those required by Sections 302 and 906 of the Sarbanes-Oxley Act, and the applicable regulations thereunder that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms, including, without limitation, controls and procedures designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Company's management, including its Chief Executive Officer and Chief Financial Officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure and to ensure that material information relating to the Company is made known to them by others within those entities, particularly during the period in which such periodic reports are being prepared.

(z) The Company will comply with all effective applicable provisions of the Sarbanes-Oxley Act.

(aa) The Company represents and agrees that, unless it obtains the prior consent of the Representatives, and each Underwriter represents and agrees that, unless it obtains the prior consent of the Company and the Representatives, it has not made and will not make any offer relating to the Securities that would constitute an "issuer free writing prospectus," as defined in Rule 433, or that would otherwise constitute a "free writing prospectus," as defined in Rule 405, required to be filed with the Commission or, in the case of the Company, whether or not required to be filed with the Commission; provided, however, that prior to the preparation of the Prospectus in accordance with Section 4(c), the Underwriters are authorized to use the information with respect to the final terms of the Securities in communications conveying information relating to the offering to investors, including the Term Sheet. Any such free writing prospectus consented

to by the Company and the Representatives is hereinafter referred to as a “Permitted Free Writing Prospectus.” The Company represents that it has treated or agrees that it will treat each Permitted Free Writing Prospectus as an “issuer free writing prospectus,” as defined in Rule 433, and has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

5. Reimbursement of Underwriters’ Expenses. If the Securities are not delivered for any reason other than the termination of this Agreement pursuant to the default by one or more of the Underwriters in its or their respective obligations hereunder, the Company shall, in addition to paying the amounts described in Section 4(p) hereof, reimburse the Underwriters for all of their out-of-pocket expenses, including the fees and disbursements of their counsel.

6. Conditions of Underwriter’s Obligations. The several obligations of the Underwriters hereunder are subject to the accuracy of the representations and warranties on the part of the Company on the date hereof, at the Applicable Time and at the time of purchase (and the several obligations of the Underwriters at each additional time of purchase are subject to the accuracy of the representations and warranties on the part of the Company on the date hereof, at the Applicable Time and at the time of purchase (unless previously waived) and at each additional time of purchase, as the case may be), the performance by the Company of its obligations hereunder and to the following additional conditions precedent:

(a) The Company shall furnish to the Representatives, at the time of purchase and at each additional time of purchase, as the case may be, opinions of (i) Hunton Andrews Kurth LLP, special and tax counsel for the Company, (ii) Venable LLP, Maryland counsel for the Company and (iii) the Chief Legal Officer and Corporate Secretary for the Company, addressed to the Underwriters, and dated the time of purchase or each additional time of purchase, as the case may be, and in form satisfactory to Ropes & Gray LLP, counsel for the Underwriters.

(b) The Representatives shall have received from the Accountants, letters dated, respectively, the date of this Agreement and the time of purchase and each additional time of purchase, as the case may be, and addressed to the Underwriters in the forms heretofore approved by the Representatives relating to the financial statements, including any pro forma financial statements of the Company and such other matters customarily covered by comfort letters issued in connection with a registered public offering.

In the event that the letters referred to above set forth any such changes, decreases or increases, it shall be a further condition to the obligations of the Underwriters that (i) such letters shall be accompanied by a written explanation of the Company as to the significance thereof, unless the Representatives deems such explanation unnecessary, and (ii) such changes, decreases or increases do not, in the sole judgment of the Representatives, make it impractical or inadvisable to proceed with the purchase and delivery of the Securities as contemplated by the Registration Statement and the Prospectus.

(c) The Representatives shall have received at the time of purchase and at each additional time of purchase, as the case may be, an opinion of Ropes & Gray LLP, counsel for the Underwriters, dated the time of purchase or each additional time of purchase, as the case may be, in form and substance satisfactory to the Representatives.

(d) No amendment or supplement to the Registration Statement or the Prospectus, including the documents deemed to be incorporated by reference therein, or Issuer Free Writing Prospectus shall be filed to which the Underwriters object in writing.

(e) Prior to the time of purchase or each additional time of purchase, as the case may be, (i) no stop order with respect to the effectiveness of the Registration Statement shall have been issued under the Securities Act or proceedings initiated under Section 8(d) or 8(e) of the Securities Act; (ii) the Registration Statement and all amendments thereto, or modifications thereof, if any, shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and (iii) the Prospectus and all amendments or supplements thereto, or modifications thereof, if any, and the General Disclosure Package shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading.

(f) All filings with the Commission required by Rule 424 under the Securities Act to have been filed by the time of purchase or each additional time of purchase, as the case may be, shall have been made within the applicable time period prescribed for such filing by Rule 424 (without reliance on Rule 424(b)(8)). A prospectus containing the Rule 430B Information shall have been filed with the Commission in accordance with Rule 424(b) (or a post-effective amendment providing such information shall have been filed and declared effective in accordance with the requirements of Rule 430B).

(g) Between the time of execution of this Agreement and the time of purchase or each additional time of purchase, as the case may be, (i) no material and unfavorable change, financial or otherwise (other than as referred to in the Registration Statement, and the Prospectus and the General Disclosure Package, in each case as of the Applicable Time), in the business, condition, net worth or prospects of the Company and the Subsidiaries, taken as a whole, shall occur or become known and (ii) no transaction which is material and unfavorable to the Company or any of the Subsidiaries, taken as a whole, shall have been entered into by the Company or any Subsidiary.

(h) The Company will, at the time of purchase or each additional time of purchase, as the case may be, deliver to the Representatives a certificate of two of its executive officers to the effect that the representations and warranties of the Company as set forth in this Agreement are true and correct as of each such date, that the Company shall perform such of its obligations under this Agreement as are to be performed at or before the time of purchase and at or before each additional time of purchase, as the case may be, and that the conditions set forth in subsections (e) and (g) of this Section 6 have been met.

(i) The Company shall have furnished to the Representatives such other documents and certificates as to the accuracy and completeness of any statement in the Registration Statement and the Prospectus as of the time of purchase and each additional time of purchase, as the case may be, as the Representatives may reasonably request.

(j) The Securities shall have been approved for listing on the NYSE, subject only to official notice of issuance.

(k) FINRA shall not have raised any objection with respect to the fairness and reasonableness of the underwriting terms and arrangements.

(l) Between the time of execution of this Agreement and the time of purchase or each additional time of purchase, as the case may be, there shall not have occurred any downgrading, nor shall any notice or announcement have been given or made of (i) any intended or potential downgrading or (ii) any review or possible change that does not indicate an improvement, in the rating accorded any securities of or guaranteed by the Company by any "nationally recognized statistical rating organization," as that term is defined under Section 3(a)(62) of the Exchange Act.

(m) Prior to the time of purchase, the Company shall have filed with the Commission a registration statement on Form 8-A covering the registration of the Securities.

7. Termination. The obligations of the Underwriters hereunder shall be subject to termination in the absolute discretion of the Representatives, at any time prior to the time of purchase or, if applicable, each additional time of purchase, (i) if any of the conditions specified in Section 6 shall not have been fulfilled when and as required by this Agreement to be fulfilled, (ii) if any material adverse and unfavorable change occurs (financial or otherwise), or any development involving a material adverse and unfavorable change occurs (financial or otherwise) (in each case, other than as disclosed in, or incorporated by reference into, the Registration Statement, the General Disclosure Package, and the Prospectus as of the Applicable Time (exclusive of any supplement thereto)), in the operations, business, net worth, condition or prospects of the Company and the Subsidiaries, taken as a whole, or a material change in management of the Company occurs, whether or not arising in the ordinary course of business, which would, in the sole judgment of the Representatives, make it impracticable to market the Securities, (iii) if (a) the United States shall have declared war in accordance with its constitutional processes or there has occurred an outbreak or escalation of hostilities or other national or international calamity or crisis or change or development in economic, political or other conditions the effect of which on, or (b) any material adverse change in the financial markets of the United States or the international financial markets is such as to make it, in the sole judgment of the Representatives, impracticable or inadvisable to market the Securities or enforce contracts for the sale of the Securities, (iv) if trading in any securities of the Company has been suspended or materially limited by the Commission or by the NYSE, or if trading generally on the NYSE, the

NYSE American LLC or the Nasdaq Global Market has been suspended, materially limited, (including an automatic halt in trading pursuant to market-decline triggers other than those in which solely program trading is temporarily halted), or limitations on or minimum prices for trading (other than limitations on hours or numbers of days of trading) shall have been fixed, or maximum ranges for prices for securities have been required, by such exchange or FINRA or Nasdaq or by order of the Commission or any other governmental authority, (v) if a banking moratorium shall have been declared by New York or United States authorities or a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States, (vi) if there shall have occurred any downgrading, or any notice or announcement shall have been given or made of (a) any intended or potential downgrading or (b) any review or possible change that does not indicate an improvement, in the rating accorded any securities of or guaranteed by the Company or any Subsidiary by any "nationally recognized statistical rating organization," as that term is defined under Section 3(a)(62) of the Exchange Act, (vii) if any federal or state statute, regulation, rule or order of any court or other governmental authority has been enacted, published, decreed or otherwise promulgated which, in the reasonable opinion of the Representatives, materially adversely affects or will materially adversely affect the business or operations of the Company, or (viii) if any action has been taken by any federal, state or local government or agency in respect of its monetary or fiscal affairs which, in the reasonable opinion of the Representatives, has a material adverse effect on the securities markets in the United States.

If the Representatives elects to terminate this Agreement as provided in this Section 7, the Company and each other Underwriter shall be notified promptly by telephone, which shall be promptly confirmed by facsimile.

If the sale to the Underwriters of the Securities, as contemplated by this Agreement, is not carried out by the Underwriters for any reason permitted under this Agreement or if such sale is not carried out because the Company shall be unable to comply with any of the terms of this Agreement, the Company shall not be under any obligation or liability under this Agreement (except to the extent provided in Sections 3, 4(p), 5, 9 and 10 hereof), and the Underwriters shall be under no obligation or liability to the Company under this Agreement (except to the extent provided in Sections 9 and 10 hereof) or to one another hereunder.

8. Increase in Underwriters' Commitments. If any Underwriter shall default in its obligation under this Agreement to take up and pay for the Securities to be purchased by it under this Agreement (otherwise than for reasons sufficient to justify the termination of this Agreement under the provisions of Section 7 hereof), the Representatives shall have the right, within 36 hours after such default, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Securities which such Underwriter shall have agreed but failed to take up and pay for (the "Defaulted Securities"). Absent the completion of such arrangements within such 36-hour period, (i) if the total amount of Defaulted Securities does not exceed 10% of the total amount of Securities to be purchased at the time of purchase or each additional time of purchase, as the case may be, each non-defaulting Underwriter shall take up and pay for (in addition to the amount of Securities agreed to be purchased by all such defaulting Underwriters in such amount or amounts as the Representatives may designate with the consent of each Underwriter so designated or, in the event no such designation is made, such Securities shall be taken up and paid for by all non-defaulting Underwriters pro rata in proportion to the aggregate principal amount of Firm Securities set

opposite the names of such non-defaulting Underwriters in Schedule A; and (ii) if the total amount of Defaulted Securities exceeds 10% of such total amount of Securities to be purchased at the time of purchase or each additional time of purchase, as the case may be, and if neither the non-defaulting Underwriters nor the Company shall make arrangements within the five (5) Business Day period from the date of default for the purchase of such Defaulted Securities, the Representatives may terminate this Agreement by notice to the Company, without liability of any party to any other party except that the provisions of Sections 3, 4(p), 5, 9 and 10 shall at all times be effective and shall survive such termination. Nothing in this paragraph, and no action taken hereunder, shall relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

Without relieving any defaulting Underwriter from its obligations hereunder, the Company agrees with thenon-defaulting Underwriters that they will not sell any Securities hereunder unless all of the Securities are purchased by the Underwriters (or by substituted Underwriters selected by the Representatives with the approval of the Company or selected by the Company with the approval of the Representatives).

If a new Underwriter or Underwriters are substituted for a defaulting Underwriter or Underwriters in accordance with the foregoing provisions, the Company or the Representatives shall have the right to postpone the time of purchase or each additional time of purchase, as the case may be, for a period not exceeding seven Business Days from the date of substitution in order that any necessary changes in the Registration Statement and the Prospectus and other documents may be effected.

The term Underwriter as used in this Agreement shall refer to and include any Underwriter substituted under this Section 8 with like effect as if such substituted Underwriter had originally been named in Schedule A hereto.

9. Indemnification.

(a) Indemnification of the Underwriters. The Company agrees to indemnify and hold harmless the Underwriters, their respective affiliates, as such term is defined in Rule 501(b) under the Securities Act (each, an "Affiliate") and each person, if any, who controls each Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including the Rule 430B Information, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, any Issuer Free Writing Prospectus, including the Term Sheet, General Disclosure Package or the Prospectus (or any amendment or supplement thereto or any documents deemed to be incorporated by reference therein), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 9(d) below) any such settlement is effected with the written consent of the Company; and

(iii) against, any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Representatives), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto), including the Rule 430B Information, or any preliminary prospectus, any Issuer Free Writing Prospectus, including the Term Sheet, General Disclosure Package or the Prospectus (or any amendment or supplement thereto or any documents deemed to be incorporated by reference therein), it being understood and agreed that the only such information furnished by the Underwriters consists of the information described as such in subsection (b) below.

(b) Indemnification of the Company, Directors and Officers. Each Underwriter severally agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), including the Rule 430B Information or any preliminary prospectus, any Issuer Free Writing Prospectus, including the Term Sheet, General Disclosure Package or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the following information in the Prospectus: the information in the fourth and the tenth paragraphs under the caption "Underwriting".

(c) Actions against Parties; Notification. Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 9(a) above, counsel to the indemnified parties shall be selected by

the Representatives, and, in the case of parties indemnified pursuant to Section 9(b) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 9 or Section 10 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) Settlement without Consent if Failure to Reimburse. If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 9(a)(ii) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

10. Contribution. If the indemnification provided for in Section 9 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other hand from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and of the Underwriters on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company on the one hand and the Underwriters on the other hand in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company, relative to the total compensation received by the Underwriters from the sale of Securities on behalf of the Underwriters.

The relative fault of the Company on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 10 were determined by pro rata allocation by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 10. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 10 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 10, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 10, the person, if any, who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act and the Underwriters' Affiliates shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Company.

13. USA PATRIOT Act. In accordance with the requirements of the USA PATRIOT Act (Title III of Pub. L.107-56 (signed into law October 26, 2001)), as amended, the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

No other Person, partnership, association or corporation (including a purchaser, as such purchaser, from any of the Underwriters) shall acquire or have any right under or by virtue of this Agreement.

17. No Advisory or Fiduciary Relationship. The Company acknowledges and agrees that (a) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the purchase price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and the Underwriters, on the other hand, (b) in connection with the offering contemplated hereby and the process leading to such transaction, each Underwriter is and has been acting solely as a principal and is not the agent or fiduciary of the Company, or its respective stockholders, creditors, employees or any other party, (c) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, (d) the Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of each of the Company, and (e) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own respective legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

For purposes of the foregoing, the term "tax treatment" is the purported or claimed federal income tax treatment of the transactions contemplated hereby, and the term "tax structure" includes any fact that may be relevant to understanding the purported or claimed federal income tax treatment of the transactions contemplated hereby.

19. Representations, Warranties and Agreements to Survive. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company or any of its subsidiaries submitted pursuant hereto, shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of any Underwriter or its Affiliates or selling agents, any person controlling any Underwriter, its officers or directors or any person controlling the Company, and (ii) delivery of and payment for the Securities.
