To the Stockholders of Chimera Investment Corporation:

It is my pleasure to invite you to attend the 2022 annual meeting of stockholders (the “Annual Meeting”) of Chimera Investment Corporation, a Maryland corporation (“Chimera” or “the Company”), that will be held on June 15, 2022, at 10:00 a.m. Eastern Time.

This year’s Annual Meeting will once again be a virtual meeting held over the Internet. We believe that the use of the Internet to host the Annual Meeting enables expanded stockholder participation. You will be able to attend the Annual Meeting, vote your shares electronically and submit your questions during the live webcast of the meeting by visiting www.virtualshareholdermeeting.com/CIM2022 and entering your 16-digit control number.

The accompanying notice of the Annual Meeting and Proxy Statement tell you more about the agenda and procedures for the meeting. They also describe, among other things, how the Company’s Board of Directors operates and provide information about our director candidates, executive officer and director compensation and corporate governance. I look forward to sharing more information with you about Chimera at the Annual Meeting.

Your vote is very important. Whether or not you plan to virtually attend the Annual Meeting, I urge you to authorize your proxy as soon as possible. You may authorize your proxy on the Internet, by telephone, or by mail. Your vote will ensure your representation at the Annual Meeting regardless of whether you attend via webcast on June 15, 2022.

Sincerely,

Mohit Marria
Chief Executive Officer and Chief Investment Officer

Other
Important
Information:

- We utilize the "notice and access" model rather than mailing full sets of proxy materials to stockholders, as we think, among other things, the Company benefits from the reduced costs associated with this method of delivery. Thus, on or about April 27, 2022, we expect to commence mailing of a Notice of Internet Availability of Proxy Materials, which contains information regarding electronic access to our proxy materials and voting information. However, we will mail hard copies of the proxy materials to any stockholder who requests them. Our Proxy Statement and 2021 Annual Report are available at www.proxyvote.com.
- Record holders of our common stock at the close of business on April 14, 2022 may attend and vote at the Annual Meeting and any adjournments or postponements thereof.
- Your shares cannot be voted unless they are represented by proxy or in person by the record holder attending the Annual Meeting via webcast. Whether or not you plan to attend the Annual Meeting via webcast, please vote your shares by proxy to ensure they are represented at the Annual Meeting.
- Your broker cannot vote your shares for the proposal to amend our charter to declassify our Board of Directors. Only you can vote your shares on this proposal. The approval of the amendment to our charter to declassify our Board of Directors requires the affirmative vote of a majority of votes entitled to be cast by stockholders entitled to vote and not simply a majority of the votes actually cast by stockholders. If you elect to abstain or do not vote on this proposal, you are effectively voting against the proposal. See "Votes Required to Approve Each Item" and "Effect of Abstentions and Broker "Non-Votes"" in this Proxy for additional information.

By order of the Board of Directors,

Phillip J. Kardis II
Chief Legal Officer and Corporate Secretary

Stockholders Entitled to Vote at the Meeting

If you were a stockholder of record at the close of business on the record date for the meeting, April 14, 2022 (the “Record Date”), you are entitled to vote at the meeting. There were _____ shares of common stock outstanding on the Record Date. You will have one vote on each matter properly brought before the meeting for each share of common stock you own.

How to Vote Your Shares

Your vote is important. Your shares can be voted at the Annual Meeting only if (i) you are present in person by attending the virtual Annual Meeting via webcast and you vote your shares electronically at such meeting, as described in this Proxy Statement, or (ii) you are represented by proxy. Even if you plan to attend the Annual Meeting via webcast, we urge you to authorize your proxy in advance (i) electronically by going to the www.proxyvote.com website and following the instructions described on the Notice of Internet Availability of Proxy Materials (“Notice of Access card”), previously mailed to you or on your proxy card, (ii) by calling the toll-free number (for residents of the United States and Canada) listed on your Notice of Access card or your proxy card or (iii) by mail. Please have your proxy card in hand when going online or calling. ***If you authorize your proxy electronically through the website or by telephone, you do not need to return your proxy card.*** If you choose to authorize your proxy by mail, simply mark your proxy card, and then date, sign and return it in the postage-paid envelope provided so it is received no later than June 14, 2022.

If you hold your shares beneficially in street name, *i.e.*, through a nominee (such as a bank or broker), you may be able to authorize your proxy by telephone or the Internet as well as by mail. You should follow the instructions you receive from your broker or other nominee to vote these shares. Your broker or nominee will not vote your shares on the election of directors or the advisory resolution on executive compensation unless you provide instructions to your broker or nominee on how to vote your shares.

How to Revoke Your Proxy

You may revoke your proxy at any time before it is voted at the Annual Meeting by:

- authorizing your proxy again on the Internet or by telephone (only the latest Internet or telephone proxy will be counted), as described above;
- properly executing and delivering a later-dated proxy card by mail;
- voting electronically at the Annual Meeting via webcast; or
- sending a written notice of revocation to the inspector of election in care of the Corporate Secretary of the Company at 630 Fifth Avenue, Suite 2400, New York, NY 10111 so it is received no later than June 14, 2022.

Voting at the Annual Meeting

The method by which you vote and authorize your proxy will in no way limit your right to vote at the Annual Meeting if you later decide to vote electronically during the Annual Meeting via webcast. If you hold your shares in street name, you must obtain a proxy executed in your favor from your nominee (such as your bank or broker) to be able to vote at the Annual Meeting.

[Table of Contents](#)

Quorum for the Annual Meeting

A quorum will be present at the Annual Meeting if a majority of the votes entitled to be cast are present, in person by attending the Annual Meeting via webcast or by proxy. If a quorum is not present at the Annual Meeting, we expect that the Annual Meeting will be postponed or adjourned to solicit additional proxies.

Votes Required to Approve Each Item

The voting requirements are as follows:

Proposal	Vote Required	Discretionary Voting Allowed
(1) Election of directors	Majority of total votes cast for and against such nominee	No
(2) Approval of an amendment to the Company’s charter to declassify the Board of Directors	Majority of votes entitled to be cast on the matter	No
(3) Approval of the advisory vote on our executive compensation	Majority of votes cast	No
(4) Ratification of the appointment of Ernst & Young LLP	Majority of votes cast	Yes

“Majority of votes cast” means a majority of the votes cast at the Annual Meeting on the proposal.

“Majority of the votes entitled to be cast” means a majority of the outstanding shares of common stock as of the Record Date that are entitled to be cast on the matter.

Effect of Abstentions and Broker “Non-Votes”

An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote, including by directing a proxy to abstain. Abstentions will be treated as shares that are present for purposes of determining the presence of a quorum.

Discretionary voting occurs when a bank, broker or other holder of record does not receive voting instructions from the beneficial owner and votes those shares in its discretion on any proposal as to which the rules of the New York Stock Exchange (“NYSE”) permit such bank, broker, or other holder of record to vote. When banks, brokers, and other holders of record are not permitted under the NYSE rules to vote the beneficial owner’s shares on a proposal, and there is at least one other proposal on which discretionary voting is allowed, the affected shares are referred to as broker “non-votes.” Broker “non-votes” will be treated as present for purposes of determining the presence of a quorum at the Annual Meeting.

Proposals No. 1, 2 and 3 are considered “non-routine” matters that brokers may not vote on without instruction from beneficial owners. As a result, a broker non-vote will be treated as present for purposes of determining the presence of a quorum at the Annual Meeting but will not be voted on these proposals.

Abstentions and broker non-votes, if any, will have no effect on the election of the directors (Proposal No. 1), or the advisory vote on our executive compensation (Proposal No. 3), or the ratification of the appointment of Ernst & Young LLP (Proposal No. 4). Abstentions and broker non-votes, if any, will be the same as a vote against the proposal to approve an amendment to the Company’s charter to declassify the Board of Directors (Proposal No. 2).

Annual Meeting Admission

You may attend the virtual Annual Meeting if you are a stockholder of record, a proxy of a stockholder of record, or a beneficial owner of our common stock with evidence of ownership. If you attend the virtual Annual Meeting, you will be able to vote your shares and submit questions.

Internet Availability of Proxy Materials

We use a “notice and access” model rather than mailing full sets of proxy materials to stockholders, because we think, among other reasons, the Company benefits from the reduced costs associated with this method of delivery. Thus, pursuant to rules of the Securities and Exchange Commission (“SEC”), we are making our proxy materials available to our stockholders electronically over the Internet rather than mailing the proxy materials. Accordingly, we are sending a Notice of Access card to our stockholders. All stockholders can access the proxy materials, including this Proxy Statement and our 2021 Annual Report to Stockholders, on the website referred to in the Notice of Access card or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found on the Notice of Access card (as well as the proxy card). In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

Solicitation of Proxies for the Annual Meeting

We are soliciting the proxy accompanying this Proxy Statement. We are bearing all costs associated with the solicitation of proxies for the Annual Meeting. This solicitation is being made primarily through the Internet and by mail, but may also be made by our directors, executive officers, employees and representatives by telephone, facsimile transmission, electronic transmission or in person. No compensation will be given to our directors, executive officers, or employees for this solicitation. Arrangements also will be made with brokerage houses and other custodians, nominees, and fiduciaries for the forwarding of solicitation materials to the beneficial owners of shares held of record by these persons, and we will reimburse them for their reasonable out-of-pocket expenses. We will bear the total cost of soliciting proxies.

We have retained Innisfree M&A Incorporated (“Innisfree”), a proxy solicitation firm, to assist us in the solicitation of proxies for the Annual Meeting. We will pay Innisfree a fee of \$12,500 for its services. In addition, we may pay Innisfree additional fees depending on the extent of additional services requested by us and will reimburse Innisfree for expenses Innisfree incurs in connection with its engagement by us.

Stockholders have the option to authorize their proxy over the Internet or by telephone. Please be aware that if you authorize your proxy over the Internet or by telephone, you may incur costs such as telephone and access charges for which you will be responsible.

Householding

We have adopted a procedure approved by the SEC called householding. Under this procedure, registered stockholders who have the same address and last name and who receive either (i) a Notice of Access card or (ii) paper copies of the proxy materials through the mail will receive only one copy of our proxy materials, or a single envelope containing the notices for all stockholders at that address. Stockholders who participate in householding will continue to receive separate proxy cards or Notice of Access card that will include each stockholder’s unique control number to vote the shares held in each account. If a stockholder of record residing at such an address wishes to receive separate proxy materials, he or she may request it orally or in writing by contacting us at Chimera Investment Corporation, 630 Fifth Avenue, Suite 2400, New York, New York 10111, Attention: Investor Relations, by emailing us at investor@chimerareit.com, or by calling us at (888) 895-6557, and we will promptly deliver to the stockholder the requested proxy materials. If a stockholder of record residing at such an address wishes to receive a separate annual report or proxy statement in the future, he or she may contact us in the same manner. If you are an eligible stockholder of record receiving multiple copies of our proxy materials, you can request householding by contacting us in the same manner. If you own your shares through a bank, broker, or other nominee, you can contact the nominee.

We have adopted several written policies relating to corporate governance, including Corporate Governance Guidelines, a Code of Business Conduct and Ethics, and charters for our audit committee, risk committee, compensation committee and nominating and corporate governance committee.

Board Oversight of Risk

The Board of Directors is responsible for overseeing our risk management practices, and committees of the Board of Directors assist it in fulfilling this responsibility. The Board of Directors has established a risk committee, which is comprised solely of independent directors, to assist the Board of Directors in the oversight of our risk governance structure; our risk management and risk assessment guidelines and policies regarding market, credit and liquidity and funding, operational, regulatory, tax and legal risk; and our risk tolerance, including risk tolerance levels and capital targets and limits.

As required by its charter, the risk committee routinely discusses with management our significant risk exposures and the actions management has taken to limit, monitor or control such exposures, including guidelines and policies with respect to our assessment of risk and risk management. At least annually, the risk committee reviews with management our risk management program, which identifies and quantifies a broad spectrum of enterprise-wide risks and related action plans and has quarterly risk assessment updates with management. In 2021, our Board of Directors participated in this review and discussion, and it expects to continue this practice as part of its role in the oversight of our risk management practices. At their discretion, members of the Board of Directors may also directly contact management to review and discuss any risk-related or other concerns that may arise between regular meetings. Additionally, the Chair of the risk committee liaises with the Chair of the audit committee to assist the audit committee in its review of our policies with respect to risk assessment and risk management. The audit committee assists the Board of Directors in overseeing our overall risk profile and risk management policies. The audit committee is also responsible managing risks inherent in its oversight of the integrity of our financial statements, our compliance with legal and regulatory requirements, our independent registered public accounting firm and our internal audit function.

Table of Contents

We have entered employment agreements with each of our named executive officers, pursuant to which we pay compensation to each of the named executive officers in the form of both cash and stock-based compensation. Pursuant to our existing equity incentive plan, we grant equity awards to the named executive officers and, in addition, as determined by the Board of Directors we may grant equity awards to our non-executive employees. Our Board of Directors, including our compensation committee, considers that such grants align the interests of the officers and employees with our interests and do not create risks that are reasonably likely to have a material adverse effect on us. As part of its risk assessment and management activities going forward, our compensation committee undertakes an annual review of our compensation policies and practices as they relate to risk, the results of which will be shared with our Board of Directors. For a discussion of the governance of our executive compensation, see “Compensation Discussion and Analysis – Governance of Our Executive Compensation Program.”

Board Leadership Structure

We have separated the roles of principal executive officer and Chairman of the Board. Our principal executive officer is Mohit Marria, who is our Chief Executive Officer, Chief Investment Officer, and a director. Our Chairman of the Board of Directors is Gerard Creagh, who is an independent director. The Board of Directors believes this current allocation of responsibilities between these two positions provides for dynamic board leadership while maintaining strong independence and is therefore an effective and appropriate leadership structure.

Independence of Our Directors

NYSE rules require that at least a majority of our directors be independent of our company and management. The rules also require that our Board of Directors affirmatively determine that there are no material relationships between a director and us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us), and that a director otherwise meets the NYSE’s bright line independence standards, before such director can be deemed independent. We have adopted independence standards consistent with NYSE rules. Our Board of Directors has reviewed both direct and indirect transactions and relationships that each of our directors had or maintained with us and our management. Our Board of Directors, based upon the fact that none of our independent directors have any relationships with us other than as directors and holders of our common stock, affirmatively determined that seven of our directors are independent directors under NYSE rules. Our independent directors are Mark Abrams, Gerard Creagh, Kevin G. Chavers, Sandra Bell, John P. Reilly, Debra W. Still, and Brian P. Reilly. Mohit Marria and Choudhary Yarlagadda are not considered independent because they are employees of the Company. Our Board of Directors previously determined that Paul Donlin, Dennis Mahoney and Teresa Bryce Bazemore, each of whom is no longer a director but served as a director during the last fiscal year, were independent under the NYSE independence requirements and SEC rules, including the requirements and rules applicable to the committees on which they served.

Board Effectiveness, Self-Evaluations and Refreshment

The Board of Directors and Committee refreshment and succession planning process is designed to ensure that the Board of Directors and each committee are comprised of highly qualified directors, with the independence, diversity, skills and perspectives to provide strong and effective oversight. The Board, led by the nominating and corporate governance committee, annually evaluates the composition of the Board and each Committee, and evaluates individual directors to ensure a continued match of their skill sets and tenure against the needs of the Company. In 2021, the nominating and corporate governance committee initiated a Board of Directors search process to identify and vet potential director candidates. Kevin G. Chavers and Sandra Bell were identified as potential Director nominees by management in the case of Mr. Chavers and by a member of the Board in the case of Ms. Bell. Both candidates were considered as part of an extensive and careful search, which involved other candidates proposed by directors and members of management. As a result of this process, the Board elected Mr. Chavers as a new Independent Director effective June 10, 2021 and elected Ms. Bell on December 2, 2021.

The Board of Directors recognizes that a thoughtful and comprehensive Board evaluation process is an integral component of a robust corporate governance framework and an effective Board. Generally, our nominating and corporate governance committee facilitates the annual assessment of the Board of Directors, and each individual director, and then reports to the full Board. Similarly, each committee reviews the results of its assessment to determine whether any changes need to be made to the committee or its procedures. In addition to the formal evaluation processes conducted on an annual basis, directors share perspectives, feedback, and suggestions year-round.

The nominating and corporate governance committee reviews the self-assessment process from time-to-time. For 2021, the nominating and corporate governance committee engaged a third-party to facilitate the 2021 Board of Directors and committee self-assessment process, which involves the following steps:

We anticipate that improvements, as the Board of Directors deems necessary, will be made during 2022 and thereafter based on the information gained through this self-assessment process, which is intended to provide the Board of Directors with insight into the following key areas:

- ✓ General Board practices, information, and resources
- ✓ Board dynamics and culture
- ✓ Board leadership
- ✓ Board composition, skills, tenure, and refreshment
- ✓ Committee leadership and composition
- ✓ Relationship with management
- ✓ Succession planning
- ✓ Board priorities, strategy, and purpose
- ✓ Risk oversight

Additional Governance Features

Stock Ownership Guidelines

We believe that each director should have a substantial personal investment in our company. We have adopted stock ownership requirements in our Corporate Governance Guidelines whereby each non-employee director is prohibited from selling or otherwise transferring vested equity awards during his or her term as a director until the aggregate value of all stock holdings in our Company exceeds 5x the cash portion of such director's annual base retainer fee.

In addition, each of our named executive officers is subject to a stock ownership and retention requirement. Shares of our stock received from equity awards, after taxes, must be held by the executive until a stated level of ownership is achieved, measured as a multiple of salary—5x for our CEO and 3x for the other named executive officers. Once this required minimum ownership level has been achieved, the named executive officer must continue to maintain that minimum ownership level until six months after termination of employment.

Our Board of Directors believes that these stock ownership and retention requirements further align the interests of the members of our Board of Directors and our named executive officers with the long-term interests of our stockholders by requiring a meaningful portion of compensation to be held as shares of our common stock.

Anti-Hedging/Pledging Policy

Our Corporate Governance Guidelines prohibits all directors, employees and officers from engaging in any hedging transactions with respect to shares of our common stock, including, without limitation, options, short sales, puts, calls, derivative actions such as forwards, futures or swaps. The policy applies to all shares owned by the individual, whether acquired through our equity award programs, open market acquisitions, or otherwise. The policy also prohibits Company's executive officers and directors from holding Company securities in a margin account or pledging Company securities as collateral for a loan.

Whistleblower Policy

As part of our commitment to transparency and ethical behavior, we have adopted a whistleblower policy and have made a third-party managed whistleblowing hotline available. The whistleblower policy establishes policies and procedures for submission of suspected violations, receipt, retention and treatment of such potential violations, and the protection of individuals reporting suspected violations from retaliatory actions. Reports received are then referred to the chairperson of the audit committee and Chief Legal Officer, who are then responsible for managing follow-up actions and managing an investigation as required, depending on the nature and complexity of the complaint. The identity of whistleblowing employees is kept confidential unless disclosure is required by law.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, which sets forth the basic principles and guidelines for resolving various legal and ethical questions that may arise in the workplace and in the conduct of our business. This Code of Business Conduct and Ethics is applicable to all our employees, including named executive officers and other officers, and directors.

This Code of Business Conduct and Ethics was adopted within the meaning of Item 406(b) of Regulation S- K. If we make any substantive amendments to this Code of Business Conduct and Ethics or grant any waiver, including any implicit waiver, we intend to disclose these events on our website.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines, which, in conjunction with the charters and key practices of and policies adopted by our Board of Directors and its committees, provide the framework for the governance of the Company.

Where You Can Find These Documents

Our Code of Business Conduct and Ethics, whistleblower policy, and our Corporate Governance Guidelines are available on our website (www.chimerareit.com). We will provide copies of these documents free of charge to any stockholder who sends a written request to Investor Relations, Chimera Investment Corporation, 630 Fifth Avenue, Suite 2400, New York, New York 10111.

ESG and Corporate Social Responsibility

At Chimera, we have always believed that doing the “right thing” is not only good corporate citizenship, but that it is also good for business. We believe that positive social impact can be the foundation of a profitable investment opportunity, rather than a detractor from financial returns. We also understand that successful employee engagement, diversity, and inclusion in the workforce assists in attracting the best talent and contributes to a stronger business. Our employees, and diversity and inclusion are intrinsic to our operations and success, and hence we are committed to reporting on this topic.

During 2021, the Board of Directors updated its committee charters and the Corporate Governance Guidelines to reflect the oversight and other responsibilities of our Board of Directors and its committees related to our Environmental, Social and Corporate Governance (“ESG”) practices. More specifically, the full Board of Directors is currently responsible for (i) reviewing and evaluating ESG-related plans and practices, (ii) reviewing current ESG trends and discussing such matters with management and communicating the impact on the Company and its stakeholders, (iii) overseeing the development and use of tailored ESG-specific measurement, and tracking metrics, and (iv) reviewing the Company’s external ESG-specific communications. In addition, under their respective charters, the compensation committee has specific responsibilities related to our human capital management and the nominating and corporate governance committee has specific responsibilities related to diversity, equity and inclusion. With respect to any ESG matters discussed at the committee level in the first instance, key information is reported out to the full Board of Directors on a regular basis.

Also during 2021, under the guidance of the Board of Directors, we published “An Introduction to ESG & Corporate Responsibility at Chimera,” which is available on our website at www.chimerareit.com. This report highlights initiatives we have in place and sets forth the framework for how we think about social responsibility and ESG. This report marks the outset of our journey towards increased transparency. We are committed to voluntarily disclosing the information and metrics material to our industry and business activities, as identified by the leading framework SASB and we expect to issue a more comprehensive report using the SASB framework in the near future.

The ESG and Corporate Responsibility Summary does not constitute “soliciting material” and will not be deemed “filed” or incorporated by reference into any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate our SEC filings by reference, in whole or in part, notwithstanding anything to the contrary set forth in those filings.

Board Meetings and Committees

Our Board of Directors meets regularly throughout the year. During 2021, there were 14 meetings of the Board of Directors. Our Corporate Governance Guidelines require that any director serving as a chief executive should not serve on more than two boards of public companies in addition to our Board of Directors. Moreover, other directors should not serve on more than four other boards of public companies in addition to our Board of Directors. Our corporate governance guidelines further require that the Board have at least two regularly scheduled meetings each year for our independent directors. These meetings, which are designed to promote unfettered discussions among our independent directors, are presided over by the Chairman of the Board. During 2021, our independent directors had four meetings. In 2021, all directors attended at least 75% of the aggregate meetings of (i) our Board of Directors and (ii) the committees of which they were members, in each case that were held during such director’s term of service in 2021.

Compensation Committee

Our Board of Directors has established a compensation committee, which is currently composed of four of our independent directors, Messrs. Chavers, Creagh and John P. Reilly and Ms. Still. Mr. Chavers chairs the compensation committee, whose principal functions are to:

- evaluate the performance of and determine the compensation for our executive officers;
- oversee the type, design, implementation, administration, interpretation and amendment of our compensation plans, policies and programs;
- recommend to the Board of Directors the compensation for our independent directors;
- administer the issuance of any securities under our equity incentive plan to our executives;
- produce annual reports on compensation for inclusion in our proxy statement and prepare any report relating to compensation required by the SEC; and
- review and discuss with management, as it deems appropriate, the development, implementation and effectiveness of the Company’s policies and strategies relating to its human capital management function.

For a discussion of the governance of our executive compensation, see “Compensation Discussion and Analysis – Governance of Our Executive Compensation Program.”

Table of Contents

Our Board of Directors has determined that all directors serving on the compensation committee are independent members of the compensation committee under the current NYSE independence requirements and SEC rules.

For additional information on the compensation committee, please see “Compensation Committee Report” below.

Audit Committee

Our Board of Directors has established an audit committee, which is currently composed of four of our independent directors, Messrs. Abrams, Creagh, and Brian P. Reilly and Ms. Bell. Mr. Brian P. Reilly chairs the audit committee. Our Board of Directors has determined that each of Messrs. Brian P. Reilly, Abrams and Ms. Bell is an audit committee financial expert, as that term is defined by the SEC. Each of the members of the audit committee is “financially literate” under the rules of the NYSE. The committee assists the Board of Directors in overseeing:

- the integrity of our financial statements;
- our compliance with legal and regulatory requirements;
- the independent registered public accounting firm’s qualifications and independence;
- the performance of our system of disclosure controls and procedure, internal audit function and independent registered public accounting firm; and
- our overall risk profile and risk management policies.

The audit committee is also responsible for engaging our independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls.

Our Board of Directors has determined that all directors serving on the audit committee are independent members of the audit committee under the current NYSE independence requirements and SEC rules. The activities of the audit committee are described in greater detail below under the caption “Report of the Audit Committee.”

Nominating and Corporate Governance Committee

Our Board of Directors has established a nominating and corporate governance committee, which is composed of three of our independent directors, Messrs. Creagh, and John P. Reilly and Ms. Still. Ms. Still chairs the nominating and corporate governance committee, which is responsible for seeking, considering, and recommending to the Board of Directors qualified candidates for election as directors and recommending a slate of nominees for election as directors at the annual meeting of stockholders. It also periodically prepares and submits to the Board of Directors for adoption the nominating and corporate governance committee’s selection criteria for director nominees. It reviews and makes recommendations on matters involving general operation of the Board and our corporate governance, and it annually recommends to the Board of Directors nominees for each committee of the Board of Directors. In addition, the nominating and corporate governance committee annually facilitates the assessment of the Board of Directors’, and each individual director’s, performance, and then reports thereon to the full Board of Directors. The nominating and corporate governance committee is also tasked with developing and implementing a diversity and inclusion strategy for the Board of Directors, its committees and the Company as a whole, and, from time to time, with reviewing and assessing the Company’s diversity, equity and inclusion programs and efforts, including the determination of goals and evaluation of the progress towards such goals.

[Table of Contents](#)

Our Board of Directors has determined that all directors serving on the nominating and corporate governance committee are independent members of the nominating and corporate governance committee under the current NYSE independence requirements and SEC rules.

Our nominating and corporate governance committee currently considers the following factors in making its nominee recommendations to the Board of Directors: background, skills, expertise, diversity, accessibility, and availability to serve effectively on the Board of Directors. In addition, the Company endeavors to have a diverse Board of Directors representing a range of experiences in areas that are relevant to the Company's business and the needs of the Board of Directors from time-to-time, and, as part of the search process, our nominating and corporate governance committee will consider highly qualified candidates, including women and minorities, and take into consideration other aspects of maintaining a diverse Board of Directors. Our nominating and corporate governance committee also conducts inquiries into the background and qualifications of potential candidates. The nominating and corporate governance committee will consider nominees recommended by our stockholders. These recommendations should be submitted in writing to our Secretary in accordance with the procedures described herein under "—Communications with the Board of Directors" and "Additional Matters—Stockholder Proposals."

Our nominating and corporate governance committee uses a variety of methods for identifying and evaluating nominees for director. Our nominating and corporate governance committee regularly assesses the appropriate size of the Board of Directors, and whether any vacancies on the Board of Directors are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, our nominating and corporate governance committee considers various potential candidates for director. Candidates may come to the attention of our nominating and corporate governance committee through current members of our Board of Directors, professional search firms, stockholders, or other persons. These candidates are evaluated at regular or special meetings of our nominating and corporate governance committee and may be considered at any point during the year. See "—Corporate Governance—Board Effectiveness, Self-Evaluations and Refreshment" for further information about the process by which two directors were identified and elected during 2021. As described above, our nominating and corporate governance committee considers properly submitted stockholder recommendations for candidates for the Board of Directors. Following verification of the stockholder status of persons recommending candidates, recommendations are aggregated and considered by our nominating and corporate governance committee at a regularly scheduled or special meeting. If any materials are provided by a stockholder in connection with the recommendation of a director candidate, such materials are forwarded to our nominating and corporate governance committee. Our nominating and corporate governance committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not recommended by a stockholder. In evaluating such nominations, our nominating and corporate governance committee seeks to achieve a balance of knowledge, experience, and capability on the Board of Directors.

Risk Committee

Our Board of Directors has established a risk committee, which is composed of four of our independent directors, Messrs. Abrams, Chavers, and Brian P. Reilly and Ms. Bell. Mr. Abrams chairs the risk committee. The risk committee assists the Board in the oversight of our risk governance structure; our risk management and risk assessment guidelines and policies regarding market, credit and liquidity and funding risk; our risk tolerance, including risk tolerance levels and capital targets and limits; and our capital, liquidity and funding, operational, regulatory, tax and legal risk.

Overview

Employment Agreements

On December 17, 2018, we entered three-year employment agreements with each named executive officer effective January 1, 2019, other than Mr. Viswanathan who entered into an employment agreement with the Company that became effective on July 31, 2021 in connection with his employment with the Company.

Table of Contents

The employment agreements specify the mix of salary and incentive compensation opportunities comprising each named executive officer's total direct compensation opportunity. The mix includes a significant focus on variable incentive compensation opportunities intended to directly link the amount of total direct compensation received to Company performance over one- and three-year periods but with an adjusted balance in the mix of awards and updates to the performance measures and maximum award opportunities as noted below. As separately discussed below, Mr. Viswanathan's total direct compensation opportunity solely for 2021 differs from the other named executive officers in connection with his recruitment and start date in July 2021. The employment agreements for the named executive officers other than for Mr. Viswanathan provide that the incentive compensation opportunity:

- is variable, potentially ranging from 0% to 200% or 250% of the target depending on the performance goal and actual performance result,
- is determined based on a balanced combination of: (i) our return on average equity ("ROAE") measured against an index of comparator companies, (ii) our total economic return (changes in book value per share plus dividends per share) performance as compared against an index of comparator companies over a three-year performance period ("relative TER"), and (iii) a fixed restricted stock unit grant, and
- to the extent earned, is delivered in a balanced mix of cash and equity awards that include additional vesting requirements, to further encourage executive retention and alignment of interests with the long-term interests of our stockholders.

2021 Performance Highlights

We continued to work throughout the year on the liability side of our balance sheet to enhance liquidity and strengthen our cash position. In addition, we were able to continue to conduct our business, closing a number of securitizations and paying a higher dividend per share than many of its peers. As a result of these efforts, we were able to accomplish the following:

- Increased common stock dividends by 10% to \$0.33 per common share in 2021, payable quarterly.
- Committed to acquire \$3.2 billion of residential mortgage loans, while completing three rated prime jumbo securitizations, one rated agency eligible investor loan securitization, and two reperforming mortgage loan securitizations.
- Called 13 reperforming mortgage loan securitizations and issued 8 new securitizations with the related collateral at an average advance rate of 84%. The proceeds from these new securitizations less payment of debt on securitizations that were called resulted in a net cash inflow of \$911 million.
- Company ROAE for 2021 was 17.7%.
- Retired 20.3 million warrants.
- Continued to pay off and refinance our debt resulting in our GAAP debt-to-equity ratio decreasing from 3.6:1 to 3.0:1 and our recourse leverage decreasing from 1.2:1 to 0.9:1 compared to 2020. In addition, the strengthening of our liability side of our balance sheet helped our earnings available for distribution to increase more than 28% from \$334 million in 2020 to \$429 million in 2021.

2021 Compensation Highlights

Compensation decisions by the compensation committee for 2021 demonstrate the link between the compensation opportunities for our named executive officers and performance for our stockholders, consistent with the design contemplated by the employment agreements:

- Our ROAE for the 4-quarter measurement period (Q4 2020 to Q3 2021) was 17.7%, which placed us 3^d across the 33 companies in the iShares Mortgage Real Estate ETF. This performance equaled above the 93.8 percentile against the peer group, resulting in the ROAE cash bonus being awarded to the named executive officers (other than Mr. Viswanathan) at 231.3% of the target bonus. In accordance with his employment agreement, Mr. Viswanathan received a fixed cash bonus of \$1,000,000 for 2021.

Table of Contents

- The named executive officers received a fixed grant of restricted stock units (“RSUs”) vesting over three years. Mr. Marria and Mr. Yarlagadda also received one-time promotional awards of RSUs at the beginning of 2021 to reflect Mr. Marria’s promotion to Chief Executive Officer and Mr. Yarlagadda’s promotion to President.
- The named executive officers (other than Mr. Viswanathan) received a grant of performance share units (“PSUs”) in early 2021 that become earned based on our relative TER performance for 2021-2023.
- For the 2019 PSUs, which were earned based on relative Total Economic Return for the three-year period ended September 30, 2021 under the employment agreements (other than Mr. Viswanathan), our Total Economic Return for that period was about the 47th percentile of the companies constituting the NAREIT FTSE Mortgage Home Finance index. This performance resulted in shares issued pursuant to the 2019 PSU award at 88.4% of the target award amount.

Compensation Policies

The compensation committee has established the following compensation policies that we believe are in the best, long-term interests of our stockholders:

What We Do and How We Do It

Provide a majority of compensation in performance-based compensation	➔	For CEO, over 75% of target total direct compensation is performance-based
Pay for performance based on measurable goals for both annual and long-term awards	➔	Use multiple, balanced measures, focused on ROAE and relative TER
Balanced mix of cash and stock-based awards tied to annual and long-term performance	➔	Majority of incentive tied to ROAE; stock portion evenly split between time-vesting and performance-vesting based on 3-year relative TER
Stock ownership and retention policy	➔	5x salary for CEO and 3x salary for all other named executive officers; 100% of shares must be retained until minimum ownership level is met; applies until 6 months after termination of employment
Receive advice from independent compensation consultant	➔	Compensation consultant (Frederic W. Cook & Co.) provides no other services to the Company

What We Don’t Do and The Reasons Why

No supplemental executive retirement plans for named executive officers	➔	Consistent with focus on performance-oriented environment
No change in control excise tax gross up	➔	Consistent with focus on performance-oriented environment and commitment to best practices aligned to long-term stockholder interests

Table of Contents

No excessive perquisites or severance benefits	→	Consistent with focus on performance-oriented environment and commitment to best practices aligned to long-term stockholder interests
No single trigger vesting of equity compensation upon a change in control	→	Per employment agreements, vesting following a change in control requires involuntary termination of employment (double-trigger)
No hedging transactions permitted	→	Policy prohibits hedging transactions, including the purchase of financial instruments designed to hedge/offset any decrease in the market value of our stock

Key Design Features and 2021 Actions

Overview of Elements of Compensation

Our named executive officers (other than Mr. Viswanathan), pursuant to their employment agreements, receive compensation primarily in the form of salary plus an incentive award opportunity determined each year ranging from 0% to 200% or 250% of the target depending on the performance goal and actual performance result. Mr. Viswanathan's incentive compensation opportunity under his employment agreement follows a different format related to his recruitment to the Company in 2021 and is therefore discussed separately below.

Each executive's base salary is fixed for the term of the employment agreement and represents a smaller portion of the total annual compensation, helping us to effectively manage our fixed expenses. The compensation committee periodically reviews base salary levels in light of market practices and changes in responsibilities. For 2021, the base salary amounts were as follows:

2021 Base Salary

Name	Amount
Mohit Marria	\$750,000
Subramaniam Viswanathan	\$500,000
Choudhary Yarlagadda	\$800,000
Phillip J. Kardis II	\$750,000
Robert Colligan	\$500,000

The employment agreements provide a total target incentive award amount and the weighting among the three components as was the case for the original employment agreements. The compensation committee believes the allocation of incentive compensation opportunities reflected in the employment agreements represents an appropriately balanced approach to providing incentive compensation opportunities. The following chart summarizes the 2021 target incentive award and the three components for each executive:

2021 Incentive Compensation Decisions

General. The compensation design reflected in the employment agreements weights the compensation opportunities heavily towards variable, performance-based awards in a mix of cash and stock and is balanced by annual and multi-year performance goals. The compensation committee believes that the incentive compensation design reflected in the employment agreements is appropriately tied to our business strategy and will encourage our management team to pursue strategies intended to deliver efficient earnings against our capital base and strong stockholder returns. See below for a discussion about the compensation arrangements for Mr. Viswanathan under his employment agreement.

The 2021 design for named executive officers (other than Mr. Viswanathan) includes an incentive award opportunity broken into three key components:

- a relative ROAE bonus, based on performance for the four quarters beginning with the fourth-quarter 2020 through the third-quarter 2021, payable in cash ranging from 0% to 250% of target,

Table of Contents

- a fixed long-term incentive (“LTI”) bonus granted in early 2021 as an award of RSUs vesting ratably over three years, and
- a relative TER bonus granted in early 2021 as a PSU award that becomes earned based on TER results over a 3-year performance period (October 2020 through September 2023) and ranging from 0% to 200% of target.

ROAE and TER are key financial measures for us because, as a mortgage REIT, we are focused on generating earnings efficiently against our capital base and returning those earnings to our stockholders, primarily in the form of dividends. Providing RSUs and PSUs as part of the mix should encourage retention and align the interests of the named executive officers with the long-term interests of our stockholders.

The employment agreements provide a total target incentive award amount and the weighting among the three components. The compensation committee believes the allocation of incentive compensation opportunities reflected in the employment agreements represents an appropriately balanced approach to providing incentive compensation opportunities. The following chart summarizes the 2021 target incentive award and the three components for our named executive officers (other than Mr. Viswanathan):

2021 Incentive Compensation Targets per Employment Agreements

Name	ROAE Bonus (cash)	Fixed LTI Bonus (RSU award)	TER Bonus (PSU award)	Total target Incentive award*
Mohit Marria	\$2,000,000	\$500,000	\$500,000	\$3,000,000
Choudhary Yarlagadda	\$1,782,000	\$594,000	\$594,000	\$2,970,000
Phillip Kardis	\$1,485,000	\$495,000	\$495,000	\$2,475,000
Robert Colligan**	\$ 990,000	\$330,000	\$330,000	\$1,650,000

* The total target incentive award is subject to review and potential adjustment by the compensation committee. The compensation committee increased Mr. Marria’s target ROAE Bonus from \$1,500,000 to \$2,000,000 beginning for 2021 in connection with his promotion to Chief Executive Officer.

** Mr. Colligan served as the Company’s Chief Financial Officer until June 22, 2021 (with a garden leave period through September 20, 2021).

ROAE Bonus. The amount of the ROAE bonus for 2021 was determined based on ROAE results against the ROAE performance of the members of our peer group for the “Annual Cash Bonus Measurement Period” (Q4 2020 to Q3 2021). The ROAE bonus earned for a year is payable in cash by no later than January 31 of the following year. Under the employment agreements, ROAE means the Company’s net income for the year divided by its average equity for the year.¹

¹ For this purpose, the Company’s net income is determined in accordance with GAAP, but excluding non-cash, non-operating expense items such as depreciation expense, amortization of goodwill and other non-cash, non-operating expense items as determined by the compensation committee in its sole discretion for the applicable performance period. If, for any portion of any performance period, (i) the Company does not use hedge accounting or (ii) its derivative hedging instruments or any portion thereof are otherwise deemed ineffective, which in either case, results in changes in the value of such hedging instruments being recorded in the Company’s GAAP income statement, then any gains or losses from such hedging instruments will also be excluded. The Company’s average equity under the employment agreements means the stockholders’ equity of the Company as determined in accordance with GAAP, but excluding accumulated other comprehensive income or loss (which, among other things, reflects unrealized gains or losses in the Company’s residential mortgage-backed securities portfolio), stockholders’ equity attributable to preferred stock and other items as determined by the compensation committee in its sole discretion for the applicable performance period. For purposes of calculating ROAE, Company Average Equity will be determined based on the average of the Company’s stockholders’ equity calculated as described in the preceding sentence as of the last day of each quarter during the applicable performance period.

Table of Contents

The following chart summarizes the ROAE performance goals and results for 2021:

Relative ROAE	Percentage of Target Cash Payable	
<Threshold	0%	2021 ROAE Result 17.7% 93.75 th Percentile
50 th Percentile	100%	
75 th Percentile	175%	
100 th Percentile	250%	

“Threshold” means the lesser of (x) the average of the weekly 2-year Treasury note rates published in the US. Reserve H.15 Report for the 52 weeks in the applicable Annual Cash Bonus Measurement Period plus 100 basis points or (y) the 25th percentile of Relative ROAE. The percentage of Target Cash Bonus payable for Relative ROAE achieved between the threshold and the 100th percentile that is not set forth in the above table is determined by linear interpolation.

Based on this performance, the Annual Cash Bonus earned, which is included in the Summary Compensation Table as 2021 compensation under the “Non-Equity Incentive Plan” column, was as follows:

2021 ROAE Bonus Amounts

Name	ROAE Bonus Target	ROAE Bonus Actual
Mohit Marria	\$2,000,000	\$4,626,000
Choudhary Yarlagadda	\$1,782,000	\$4,121,766
Phillip Kardis	\$1,485,000	\$3,434,805
Robert Colligan	\$ 990,000	\$1,649,961 ¹

Fixed LTI RSU Bonus. In accordance with the employment agreements, each named executive receives an annual “Fixed LTI” RSU bonus each year based on the fixed amount set forth on the chart below. The RSUs are granted at the beginning of the year and vest ratably over three years subject to the executive’s continued employment. For Mr. Viswanathan, the RSUs were granted as of his hire date but have the same three-year vesting schedule starting in January 2022 as the 2021 RSU awards for the other named executive officers. For the named executive officers other than Mr. Viswanathan, the number of RSUs granted is based on the dollar value of the award and the average daily volume weighted average price (“VWAP”) for the Company’s common stock for the 20 consecutive trading days ending on December 31, 2020. For Mr. Viswanathan, the number of RSUs was based on the VWAP for the Company’s common stock for the 20 consecutive trading days ending on August 6, 2021. The following chart summarizes the Fixed LTI RSU bonus awards for 2021:

Notwithstanding the foregoing, stockholders’ equity attributable to an issuance of common stock of the Company during the performance period shall be excluded from the calculation of “Company Average Equity” for a period of six months from such issuance.

¹ Mr. Colligan served as our Chief Financial Officer until June 22, 2021 (with a garden leave period through September 20, 2021) and was entitled to a pro rata bonus through September 20, 2021. The prorated amount actually paid is included as 2021 “Non-Equity Incentive Plan Compensation” in the Summary Compensation Table.

2021 RSU Bonus Award

Name	Amount
Mohit Marria	\$500,000
Subramaniam Viswanathan	\$750,000
Choudhary Yarlagadda	\$594,000
Phillip J. Kardis II	\$495,000
Robert Colligan	\$330,000

TER Bonus: 2021-2023. The TER bonus for 2021 was provided as an award of PSUs under our equity compensation plan granted early in 2021 with a three-year performance period (2021-2023). The target number of PSUs granted was based on the target value of the award and the average daily VWAP for the Company's common stock for the 20 consecutive trading days ending on December 31, 2020. On this basis, the target number of PSUs granted for the PSU bonus for 2021 was as follows:

**TER Bonus Target PSUs
2021-2023 Award**

Name	Target PSUs (#)
Mohit Marria	47,421
Choudhary Yarlagadda	56,336
Phillip J. Kardis II	46,947
Robert Colligan	31,298

The grant date fair value of this award for accounting purposes is included in the Summary Compensation Table as 2021 compensation under the "Stock Awards" column.

The actual number of PSUs earned is based on our TER performance for the three-year performance measurement period (October 2020 – September 2023), relative to the TER performance of the companies included in the iShares Mortgage Real Estate ETF for that period, as follows:

Relative TER Performance Goals

Relative TER Performance	% of Target Earned
Below Threshold	0%
Target: 50th percentile	100%
Max: 75 th percentile or above	200%

The threshold is the 25th percentile, below which no amount is earned. Performance between threshold and target or target and maximum will result in a percentage earned that is interpolated on a straight-line basis.

[Table of Contents](#)

PSUs, to the extent earned, are payable by delivery of one share of our common stock for each PSU earned, payable by January 31st following the end of the performance period. The named executive officer generally must remain employed with us for the full performance period to earn the PSU, also encouraging retention.

TER Bonus Earned: 2019-2021.

In accordance with the original employment agreements, the Total Economic Return (change in the Company's book value plus dividend) ("TER") bonus for 2019 was provided as an award of PSUs under our equity compensation plan granted early in 2019, with TER (including dividends) measured over a three-year performance measurement period (October 2018 through September 2020) with the relative TER performance goals listed below. The Company's TER over the three-year performance measurement period was twelfth among the constituents of the NAREIT FTSE Mortgage Home Financing index over that period placing the Company above the 48.4th percentile.

Relative TER Performance Goals

Relative TSR Performance	% of Target Earned
Below Threshold: Below 25th percentile	0%
Threshold: 25th percentile	50%
Target: 50th percentile	100%
Max: 75th percentile or above	200%

Based on this performance, the number of 2019-2021 PSUs earned was 88.4% of target:

2019 TER Bonus Earned Amounts

Name	2019-2021 PSUs Target (#)	2019-2021 PSUs Actual (#)
Mohit Marria	27,137	23,990
Choudhary Yarlagadda	32,239	28,500
Phillip Kardis	26,866	23,750
Robert Colligan	17,911	15,833

Dividend Equivalents on RSUs and PSUs. Awards of RSUs and PSUs will accrue dividend equivalents (as additional stock units) as if the awards were outstanding shares of our common stock, but the dividend equivalents will be paid only if and to the extent the underlying award becomes earned and vested. Because we are a mortgage REIT, dividends are a key component of our total stockholder return. The compensation committee believes that allowing dividend equivalents to accrue on outstanding awards will further focus our named executive officers on achieving net income goals and returning earnings to our stockholders through dividends.

Promotion Awards. Mr. Marria's and Mr. Yarlagadda's employment agreements were unchanged for 2021 even though Mr. Marria was promoted to Chief Executive Officer and Mr. Yarlagadda was promoted to President beginning January 1, 2021. To recognize the increased duties and responsibilities associated with these promotions and given there was no corresponding change to salary or target long-term incentive awards, on January 2, 2021 each was awarded a promotion bonus of 500,000 Restricted Stock Units of which 100,000 vested on January 15, 2021 and remaining vests equally over the next four years. Unlike the annual long-term incentive awards under the employment agreements, these promotion awards do not vest upon retirement (as described further under "*Potential Payments upon Termination of Employment or Change in Control (CIC)*").

Employment Agreement and 2021 Compensation for Mr. Viswanathan

Mr. Viswanathan, our Chief Financial Officer, was recruited, mid-year, from a senior position at another corporation during 2021. Our Board of Directors determined that it was important to recruit Mr. Viswanathan given his broad experience in capital markets and operations. To induce Mr. Viswanathan to resign his position mid-year, the compensation committee designed a transition compensation structure for 2021 that differs from the other named executive officers. Under his employment agreement, for 2021, Mr. Viswanathan receives compensation in the form of:

- salary,
- cash bonus equal to \$1,000,000, and
- a long-term incentive equity award in the form of time-vesting RSUs equal to \$750,000.

For 2022, Mr. Viswanathan's employment agreement provides for incentive compensation that will have the same mix of components as the other named executive officers.

Governance

Compensation Committee Provides Oversight

The compensation committee, comprised entirely of independent members of our board of directors, is responsible for establishing and implementing our executive compensation philosophy and for ensuring that the total compensation paid to our named executive officers and other executives is fair, competitive and motivates high performance. The terms of the employment agreements, and actions on compensation under the employment agreements, are under the primary direction of the compensation committee.

Under our executive compensation philosophy, we provide compensation in the forms and at levels that we believe will permit us to retain and motivate our existing executives and to attract new executives with the skills and attributes that we need. The compensation program reflected in the employment agreements is intended to provide appropriate and balanced incentives toward achieving our annual and long-term strategic objectives, to support a performance-oriented environment based on the attainment of goals and objectives intended to benefit our company and our stockholders, and to create an alignment of interests between our executives and our stockholders. The compensation program is designed to place a greater weight on rewarding the achievement of longer-term objectives and financial performance of the Company.

Independent Compensation Consultant Used by the Compensation Committee

The compensation committee engaged Frederic W. Cook & Co. ("FW Cook") to advise the compensation committee on alternatives for executive compensation design. As part of this assignment, FW Cook reviewed the executive compensation levels, mix and design at our peer companies (discussed below), modeled alternative incentive compensation designs and advised the compensation committee on other competitive market practices more generally. FW Cook provides no other services to the Company.

CEO and Management Have Limited Roles in Compensation Determinations

The compensation committee is solely responsible for compensation decisions regarding our CEO subject to ratification and confirmation by the independent members of our Board. When making compensation recommendations for named executive officers other than the CEO, the compensation committee expects to seek and consider the advice and counsel of the CEO, given his direct day-to-day working relationship with those executives. Taking this feedback into consideration, the compensation committee will engage in discussions and makes final determinations related to compensation paid to the named executive officers, consistent with the requirements of each employment agreement.

Use of Peer Group Data

In designing the employment agreements, the compensation committee engaged FW Cook to refresh our peer companies for purposes of analyzing the competitiveness of our total direct compensation opportunities. Based on that analysis, the compensation committee approved a list of peer companies, as shown below. The peer group is intended to focus on internally managed publicly traded companies with a comparable focus of making investments.

Consideration of 2021 Say-on-Pay Vote

At our 2021 annual meeting, our stockholders voted approximately 86.9% in favor of our executive compensation program. The compensation committee has considered the results of the 2021 say-on-pay vote and believes that the support of our stockholders in this vote reflects support for our approach to executive compensation. The compensation committee will continue to consider the outcome of future Say-on-Pay votes and other stockholder input, as well as available market data, in making future decisions regarding executive compensation.

Compensation Policies and Practices as They Relate to Risk Management

The compensation committee monitors the risks and rewards associated with our compensation programs and considers, in establishing our compensation programs, whether these programs encourage unnecessary or excessive risk taking. We believe our design includes appropriate features intended to limit the risk of excessive risk-taking by our named executive officers, including, without limitation (i) incentive compensation capped at 200% to 250% of target depending on the performance goal, (ii) use of multiple financial measures over both annual and multi-year periods, (iii) elements of incentive compensation tied to individual performance goals, and (iv) meaningful stock ownership and retention requirements that apply until six months after termination of employment.

Other Features and Policies

Share Ownership Guidelines

Per the Company's Corporate Governance Guidelines each named executive officer is subject to a stock ownership and retention requirement. Shares of our stock received from equity awards, after taxes, must be held by the executive until a stated level of ownership is achieved, measured as a multiple of salary—5x for the CEO and 3x for the other named executive officers. Per the employment agreements, once this required minimum ownership level has been achieved, the named executive officer must continue to maintain that minimum ownership level until six months after termination of employment.

The compensation committee believes that these stock ownership and retention requirements will further align the interests of our named executive officers with the long-term interests of our stockholders by requiring a meaningful portion of the executive's accrued and earned compensation to be held as shares of our stock, not only during employment but for a period after termination of employment.

Table of Contents

Savings and Health and Welfare Benefits

Our named executive officers participate in the broad-based 401(k) retirement savings plan generally available to our employees, which includes an opportunity to receive employer matching contributions. We do not currently provide for pension plans or supplemental retirement plans for our named executive officers.

All our named executive officers also participate in the health, life insurance, disability benefits and other welfare programs that are provided generally to our employees.

We have established a Stock Award Deferral Program, described below under “Nonqualified Deferred Compensation Plans.” Under this program, named executive officers can elect to defer payment of RSU and PSU awards after vesting until termination of employment or an earlier specified date. Amounts deferred are tracked as deferred stock units (“DSUs”), continue to receive dividend equivalents, and are paid in actual shares. The compensation committee felt that this program assists our executive officers with retirement savings, and further encourages their long-term retention of stock awards earned under our compensation program.

Perquisites and Other Personal Benefits

We do not currently provide our named executive officers with any perquisites or other personal benefits.

Compensation Recovery (Clawback) Policy

As required by the Sarbanes-Oxley Act of 2002, upon restatement of our company’s financial statements, our CEO and CFO would be required to reimburse us for any (i) bonuses, (ii) other incentive or equity-based compensation, and/or (iii) profits from stock sales, received in the 12-month period following the filing of financial statements that were later required to be restated due to the misconduct. Our company will also implement the incentive compensation “clawback” provisions mandated by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 in accordance with the requirements of that Act once final rules have been adopted.

Severance Protection under the Employment Agreements

Each employment agreement includes certain severance payments and benefits for the named executive officer in case of involuntary termination during the term of the agreement, including termination by us without cause or termination by the executive for certain adverse changes in employment conditions (referred to as “good reason”). The amount and form of the severance benefits depends on whether the involuntary termination occurs in connection with a change in control or not. No severance is provided for a voluntary termination (not for good reason) or involuntary termination for cause. We do not believe that the severance benefits provided are excessive. The following briefly summarizes the severance benefits provided in case of a qualifying termination. More detail (including estimated quantifiable amounts) is provided under “Potential Payments upon Termination or Change in Control.”

- Termination without cause or with good reason not in connection with a change in control. If, during the term of the employment agreement, the named executive officer’s employment is terminated (i) by the Company without cause other than within six months before or 24 months following a change in control or (ii) the executive for good reason other than within 24 months following a change in control of the Company, the executive will be entitled to: (i) a severance payment equal to 1.5 times the sum of (a) his base salary and (b) the greater of (x) target cash bonus for the year of termination or (y) his average of the annual cash bonus awarded for the three most recent calendar years, payable in 18 equal monthly installments; (ii) 12 months of Company-paid COBRA premiums; (iii) accelerated vesting of time-based equity awards; (iv) continued vesting potential of the PSUs granted in connection with the TER portion of his annual bonus subject to actual performance results; (v) payment of any earned but unpaid annual bonus for the prior calendar and (vi) a pro-rata portion of the ROAE and discretionary portions of the annual bonus that he would have received for the year of termination subject to actual performance results.

Table of Contents

- **Termination without cause or with good reason in connection with a change in control.** If, during the term of the employment agreement, the named executive officer's employment is terminated by (i) the Company without cause within six months before or 24 months following a change in control or (ii) the executive for good reason within 24 months following a change in control of the Company, the executive will be entitled to (i) a severance payment equal to 2.25 times, in the case of Mr. Yarlagadda, or 2 times, in the case of the other executives, the sum of (a) his base salary and (b) the greater of (x) target cash bonus for the year of termination or (y) his average of the annual cash bonus awarded for the three most recent calendar years, payable in a lump sum, (ii) 18 months of Company-paid COBRA premiums; (iii) accelerated vesting of time-based equity awards (including the PSUs granted in connection with the TER portion of his annual bonus, which will be converted into time-based RSUs upon a change in control based on the Company's TER through such change in control); (v) payment of any earned but unpaid annual bonus for the prior calendar and (vi) a pro-rata portion of the ROAE and discretionary portions of the annual bonus that he would have received for the year of termination.

The employment agreements also include a 90-day advanced notice requirement for the executive to resign and certain post-employment covenants, including customary non-solicitation and non-competition covenants for twelve-months post-employment, and customary non-disparagement and confidentiality restrictions.

The compensation committee believes that these severance provisions serve the interests of stockholders by encouraging stability among our management team. The change in control protections also help to ensure that management will be able to fairly review any possible business combinations. The compensation committee believes that the severance protections in the employment agreements reflect current best practices, including (i) no 280G excise tax gross-ups, (ii) reasonable levels of severance compensation, (iii) no single-trigger (or "modified" single trigger) rights to severance (including equity vesting) and (iv) performance-based awards remain subject to performance conditions.

Timing of Equity Grants

RSU and PSU awards are granted at a regularly-scheduled compensation committee meeting, generally during the first quarter of each year. Awards are generally effective on the date of the meeting at which they were approved. Dates for compensation committee meetings are usually set during the prior year, and the timing of meetings and awards is unrelated to the release of material non-public information.

Compensation Committee Report

Our compensation committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the compensation committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

- (1) All listed named executive officer positions are those held as of December 31, 2021 other than Mr. Colligan who served as our Chief Financial Officer until June 22, 2021. On July 31, 2021, Mr. Viswanathan became our Chief Financial Officer and was appointed as our principal financial officer on August 9, 2021. Mr. Marria served as our principal financial officer after June 22, 2021 until Mr. Viswanathan began in that role.
- (2) The base salary amounts in this column represent actual base compensation paid or earned through the end of the applicable fiscal year and for Mr. Colligan includes \$28,257 for unused vacation.
- (3) The amounts in this column represent the aggregate grant date fair value of the awards detailed under “*Grants of Plan-Based Awards in 2021*” in this Proxy Statement, for 2021 comprised of:
 - An RSU award for the 2021 Fixed LTI bonus, with a grant date fair value computed in accordance with FASB ASC Topic 718 based on the closing price of our common stock on the applicable grant date (or next preceding trading day if the grant date was not a trading day) but excluding the effect of potential forfeitures; and
 - PSUs awarded in early 2021 representing the TER bonus for 2021, to be earned based on the Company’s relative TER performance for the period 2021-2023, with a grant date fair value computed in accordance with FASB ASC Topic 718 based on an assumed probable outcome of maximum performance. See “*Compensation Discussion and Analysis -- Key Design Features and 2021 Actions*” for additional information about the TER bonus.

[Table of Contents](#)

- Promotion RSU awards to Mr. Marria and Mr. Yarlagadda in early 2021 and a new hire RSU award to Mr. Viswanathan in August 2021, with a grant date fair value computed in accordance with FASB ASC Topic 718 based on the closing price of our common stock on the applicable grant date (or next preceding trading day if the grant date was not a trading day) but excluding the effect of potential forfeitures.

See Note 12 (Equity Compensation, Employment Agreements and other Benefit Plans) to our Consolidated Financial Statements included in our Annual Report on Form 10-K filed for the year ended December 31, 2021 for additional information on the assumptions used in the grant date fair value for our equity compensation awards.

SEC rules require the Summary Compensation Table to include in each year’s amount the aggregate grant date fair value of stock awards granted during the year. In 2018 and earlier under prior employment agreements, RSUs were awarded after the end of the relevant performance year as part of a discretionary bonus. This design changed starting in 2019, but as a result, amounts shown as 2019 compensation in the “Stock Awards” column reflect both the discretionary bonus RSU awards granted in early 2019 for 2018 performance as well as for 2019 LTI Fixed Bonus awards. Under the current employment agreements, the LTI Fixed Bonus RSU awards are granted in the same year to which they otherwise relate, and therefore this timing issue does not impact the 2020 and 2021 amounts in the table above.

- (4) For 2021, the amounts in this column represent the ROAE cash bonus earned for performance in 2021. See ‘*Compensation Discussion and Analysis -- Key Design Features and 2021 Actions*’ for additional information.
- (5) Except for the amounts payable to Mr. Colligan in connection with his severance (noted below), the amounts in this column for 2021 represent matching contributions of up to 6% of each named executive officer’s base salary that were made by us with respect to each of the named executive officers pursuant to our Section 401(k) plan. The amount in this column for Mr. Colligan for 2021 includes the accrued amount his cash severance payment of \$3,579,300 payable over 18 months commencing in October 2021, plus the value of 12 months of COBRA premiums of \$44,389, all in accordance with the severance provisions in his Employment Agreement in accordance with the severance provisions in his Employment Agreement. See “Potential Payments Upon Termination or Change in Control (CIC)” below for additional details.

RSU-P = One-time promotion awards of RSUs (see footnote 5 below for further details)

PSU = Performance-vesting stock unit awards granted in 2021

- (2) The ROAE cash bonus awards were earned based on 2021 ROAE performance. See “*Compensation Discussion and Analysis -- Key Design Features and 2021 Actions*” for additional information on the 2021 goals and results. The actual amounts paid are included as 2021 compensation under the “Non-Equity Incentive Plan” column in the Summary Compensation Table.
- (3) The PSUs granted in 2021 represent the 2021 TER bonus opportunity and may be earned based on our relative TER performance for 2021-2023. See “*Compensation Discussion and Analysis -- Key Design Features and 2021 Actions*” for additional information on the 2021 TER bonus goals. The number of target PSUs was determined based on the applicable TER bonus dollar denominated amount divided by the average daily VWAP for the Company’s common stock for the 20 consecutive trading days ending on December 31, 2020.
- (4) The RSUs granted in 2021 represent the Fixed LTI bonus for 2021. The numbers of shares granted were based on the applicable dollar amount of the award for the specific named executive officer divided by the average daily VWAP for the Company’s common stock for the 20 consecutive trading days ending on December 31, 2020. Each of these awards vest in equal annual installments over three years following the grant date, subject to continued employment.

(2) Reflects fair value of vested shares using closing price of our common stock on date of vesting.

Pension Benefits

Our named executive officers received no benefits in 2021 from us under defined pension plans. Our only retirement plan in which the named executive officers were eligible to participate in the 401(k) Plan.

Nonqualified Deferred Compensation

We have established a Stock Award Deferral Program. Under the program, named executive officers and directors can elect to defer payment of certain stock awards made pursuant to our equity incentive plan. Deferred awards are credited as deferred stock units and are paid at the earlier of separation from service or a date elected by the participant. Payments are generally made in a lump sum or, if elected by the participant, in five annual installments if paid upon separation from service. Deferred awards receive dividend equivalents during the deferral period credited as additional deferred stock units. Amounts are paid at the end of the deferral period by delivery of shares from our equity incentive plan (plus cash for any fractional deferred stock units), less any applicable tax withholdings. Deferral elections do not alter any vesting requirements applicable to the underlying stock award. Amounts will not be considered deferred until after vested in accordance with the applicable vested schedule for the award.

The following table shows the contributions, earnings, distributions, and year-end account values for each named executive officer under the program for the fiscal year ended December 31, 2021:

Potential Payments upon Termination of Employment or Change in Control (CIC)

As noted earlier, Mr. Colligan served as our Chief Financial Officer until June 22, 2021 and his garden leave ended on September 20, 2021 at which time his employment with the Company ended. In accordance with the terms of his employment agreement, Mr. Colligan was entitled to certain severance benefits. Under the terms of that agreement, upon the termination of his employment, Mr. Colligan's RSU awards granted after 2018 vested immediately and the 2018 RSUs and the outstanding PSUs continue to vest per schedule as if he had not terminated employment (subject to actual performance results for the PSUs) and provided that he complies with any applicable post-employment covenants. For Mr. Colligan, the value of his outstanding RSUs and PSUs as of September 20, 2021 that vested or will continue to vest because of the termination of his employment (assuming target performance for the 2019 and 2020 and 2021 PSUs) was \$2.2 million (based on the closing price of our common stock on September 20, 2021). Mr. Colligan is also entitled to receive cash severance of \$3,579,300 payable over 18 month commencing in October, 2021, which amount is equal to 1.5 times the sum of (a) his base salary and (b) the greater of (x) his Target Cash Bonus for 2021 or (y) his average of the Annual Cash Bonus awarded for 2018-2020. The Company will pay 100% of his COBRA premiums for 12 months commencing on October 1, 2021, valued at \$44,389 for the 12 months of premiums. He received no other benefits as a result of the termination of his employment other than amounts already earned and vested but unpaid under various Company plans and programs in which he participated. As required by his employment agreement, he provided the Company with a release of claims as a condition to receiving the severance payments and benefits.

[Table of Contents](#)

The tables below show certain potential payments that would have been made to the other named executive officers under their respective current employment agreements assuming such person's employment had terminated at the close of business on December 31, 2021, under various scenarios, including a Change in Control. The table assumes that neither the Company nor any of the named executive officers gave notice of its or his intention not to renew the executive's respective employment agreement with the Company for 2021.

The tables include only the value of the incremental amounts payable to the named executive officer arising from the applicable scenario and do not include the value of vested or earned, but unpaid, amounts owed to the applicable named executive officer as of December 31, 2021 (including, for example, any annual bonus earned but not yet paid as of such date, dividend equivalents relating to dividends declared but not paid as of such date, vested but not settled RSUs or PSUs, the employer 401(k) matches for the named executive officers, or the value of the shares underlying the DSUs that will be paid to the applicable named executive officer upon separation of service. See "-- Nonqualified Deferred Compensation" above for the value of such DSUs as of December 31, 2021).

The footnotes to the tables describe the assumptions used in estimating the amounts shown in the tables. As used below, the terms "Target Cash Bonus," "Annual Cash Bonus," "Cause," "Change in Control," "Disability," "Good Reason," "TER Bonus" and "TSR Bonus" shall have the respective meanings set forth in the applicable employment agreement, each of which has been filed with the SEC, or award agreement(s), forms of which have been filed with the SEC. Please refer to our current report on Form 8-K filed with the SEC on December 17, 2018 for copies of these employment contracts.

Because the payments to be made to a named executive officer depend on several factors, the actual amounts to be paid out upon a named executive officer's termination of employment can only be determined at the time of the executive's separation from the Company.

Incremental Benefits due to Termination Event	Death (a)	Disability (a)	Termination Without Cause/Resignation for Good Reason (b)	Termination For Cause/Voluntary Resignation	Change in Control (c)
Severance/Payment to Representative or Estate	-	-	\$6,102,000	-	\$8,136,000
Value of Accelerated Equity Awards	\$3,304,092	\$3,304,092	\$3,304,092	-	\$1,537,883
Deferred Compensation	-	-	-	-	-
Other Benefits	\$66,584	\$66,584	\$44,389	-	\$66,584
Total Value of Incremental Benefits	\$3,370,676	\$3,370,676	\$9,450,481	-	\$9,740,467

*For purposes of these tables, calculations of “Value of Accelerated Equity Awards” are based on \$15.08 per share, the closing price of our common stock on December 31, 2021. For purposes of these tables, except for a Change in Control, we have assumed that the target performance metrics with respect to the PSUs have been achieved and in the case of a Change of Control, we have used the actual performance through December 31, 2021, but neither approach includes dividend equivalent rights.

**If the named executive officer’s service with the Company is terminated because of the named executive officer’s “Retirement,” (i) the PSUs continue to vest in accordance with their terms (time and performance requirements) as though such termination of service had not occurred provided that the executive complies with any applicable post-employment covenants, and (ii) the RSUs, other than 2021 promotion grants received by Mr. Marria and Mr. Yarlagadda, vest immediately. “Retirement” means the named executive officer’s termination of service with the Company after December 31, 2021 having attained a combined age and years of service with the Company equal to at least 65 with at least five years of service with the Company (including our prior manager), other than termination due to death or Disability or under circumstances that would not otherwise constitute “Cause.” Currently, Mr. Yarlagadda and Mr. Kardis meet this condition.

(a) Death and Disability

The following incremental benefits would be paid to a named executive officer or his estate or legal representative in the event of his death or Disability:

(i) *Value of Accelerated Equity Awards*: For each executive officer, the amount represents the aggregate value resulting from the (i) immediate full vesting of all outstanding equity-based compensation previously granted in connection with an Annual Bonus other than the PSUs granted in connection with the TER Bonus; and, (ii) continuing vesting of any outstanding PSUs previously granted in connection with the TER Bonus, subject to the achievement by the Company of the applicable performance goals and the applicable award agreement.

For purposes of these tables, we have assumed that the target performance metric with respect to the PSUs has been achieved.

(iii) *Other Benefits*: For each of the named executive officers, 100% of the COBRA premiums incurred by such named executive officer for him and his eligible dependents under the Company’s healthcare plan during the 18-month period following the named executive officer’s termination of employment.

(b) Termination Without Cause/Resignation for Good Reason

The following incremental benefits would be paid to a named executive officer in the event he is terminated without Cause other than within six months before or 24 months following a Change in Control or by such named executive officer for Good Reason other than within 24 months following a Change in Control:

(i) *Severance*: For each of the named executive officers, a payment equal to 1.5 times the sum of (a) his then current base salary and (b) the greater of (x) Target Cash Bonus or (y) his average of the Annual Cash Bonus awarded for the three most recent calendar years.

(ii) *Value of Accelerated Equity Awards*: For each executive the amount represents the aggregate value resulting from the (i) immediate full vesting of all outstanding equity-based compensation previously granted in connection with his Annual Bonus other than the PSUs granted in connection with the TER Bonus; and (ii) continuing vesting of outstanding PSUs previously granted in connection with the TER Bonus, subject to the achievement by the Company of applicable performance goals and the applicable award agreement.

For purposes of these tables, we have assumed that the target performance metric with respect to the PSUs has been achieved.

(iii) *Other Benefits*: For each of the named executive officers, 100% of the COBRA premiums incurred by such named executive officer for him and his eligible dependents under the Company's healthcare plan during the 12-month period following the named executive officer's termination of employment.

(c) Termination/Resignation upon Change in Control

The following incremental benefits would be paid to a named executive officer in the event of (1) the termination of such named executive officer's employment by the Company other than for Cause (other than Disability) and such termination occurs within six months before or 24 months following a Change in Control or (2) such named executive officer's resignation of his employment for Good Reason within 24 months following a Change in Control.

(i) *Severance*: A severance payment equal to 2.25 times, in the case of Mr. Yarlagadda, or two times, in the case of the other executives, the sum of (a) his base salary and (b) the greater of (x) Target Cash Bonus or (y) his average of the Annual Cash Bonus awarded for the three most recent calendar years.

(ii) *Value of Accelerated Equity Awards and Pro-Rata Bonus*: For each executive, the amount represents the aggregate value resulting from the (i) immediate full vesting of all outstanding equity-based compensation previously granted other than the PSUs granted in connection with the TER Bonus; (ii) the immediate full vesting of all PSUs granted in connection with the TER Bonus that are eligible to vest solely on the basis of continued employment; and (iii) a pro-rata portion of the Annual Cash Bonus he would have earned for the year of termination based on the Company's relative ROAE, payable at the time such Annual Cash Bonus would have been paid to Executive for such year absent such termination but no later than March 15 of the immediately following year.

(iii) *Other Benefits*: For each of the named executive officers, 100% of the COBRA premiums incurred by such named executive officer for him and his eligible dependents under the Company's healthcare plan during the 18-month period following the named executive officer's termination of employment.

For a discussion of employment agreements that we executed with certain of our named executive officers effective January 1, 2019, including provisions related to Change of Control payments, see "Compensation Discussion and Analysis."

To receive the severance benefits discussed above, the named executive officers must not breach any of the covenants in the employment agreements that include confidentiality and non-disparagement provisions, and during-employment and 12-month post-employment non-compete/non-solicitation restrictions.

CEO Compensation Pay Ratio

As required by applicable law, we determined that the 2021 total compensation of Mohit Marria, our Chief Executive Officer and Chief Investment Officer of \$11,976,596, as shown in the Summary Compensation Table above (the “CEO Compensation”), was approximately 28 times the total compensation of a median employee in 2021 calculated in the same manner of \$422,925.

We identified the median employee using the annual base salary and expected bonus, as of December 31, 2021, plus any incentive stock awards granted in 2021 for all individuals, excluding our Chief Executive Officer, who were employed by us on December 31, 2021, the last day of our payroll year. After identifying the median employee, we calculated annual total compensation for such employee using the same methodology we use for our CEO Compensation.

The CEO pay ratio reported above is a reasonable estimate calculated in a manner consistent with SEC rules based on the methodologies and assumptions described above. SEC rules for identifying the median employee and determining the CEO pay ratio permit companies to employ a wide range of methodologies, estimates and assumptions. As a result, the CEO pay ratios reported by other companies, which may have employed other permitted methodologies or assumptions and which may have a significantly different work force structure from ours, may not be comparable to our CEO pay ratio.

EQUITY COMPENSATION PLAN INFORMATION

We have adopted an equity incentive plan to provide incentives to our independent directors, employees, and other service providers to stimulate their efforts toward our continued success, long-term growth, and profitability and to attract, reward and retain personnel.

The following table provides information as of December 31, 2021 concerning shares of our common stock authorized for issuance under our existing equity incentive plan.

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants, and Rights ⁽¹⁾	Weighted Average Exercise Price of Outstanding Options, Warrants, and Rights	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans ⁽²⁾
Equity Compensation Plans Approved by Stockholders	4,331,884	—	1,686,229
Equity Compensation Plans Not Approved by Stockholders ⁽³⁾	—	—	—
Total	4,331,884		1,686,229

(1) Includes unvested RSUs, PSUs, DSUs and related dividends.

(2) Available shares are reduced by the items outstanding in column 1 plus shares previously vested and issued net of units withheld to cover tax withholding requirements.

(3) We do not have any equity plans that have not been approved by our stockholders.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our compensation committee is comprised solely of the following independent directors: Mr. Chavers (chair), Mr. Creagh, Mr. John P. Reilly and Ms. Still. None of these directors is serving or has served as an officer or employee of us or any affiliate or has any other business relationship or affiliation with us, except his or her service as a director, and there are no other Compensation Committee interlocks that are required to be reported under the rules and regulations of the Securities Exchange Act of 1934, as amended.

COMPENSATION OF DIRECTORS**Overview and Process**

We compensate only those directors who are independent under the NYSE listing standards. Any member of our Board of Directors who is an employee of ours is not considered independent under the NYSE listing standards and did not (and will not) receive additional compensation for serving on our Board of Directors.

Our compensation committee, together with FW Cook, a nationally recognized compensation consulting firm retained by our Board of Directors, reviews the components of the compensation arrangements offered to our independent directors. As part of this process, our compensation committee considers, among other things, the duties and responsibilities associated with the position of each director and emerging trends and best practices in director compensation.

The compensation committee will, on an ongoing basis, continue to examine and assess our director compensation practices relative to our compensation philosophy and objectives, as well as competitive market practices and total stockholder returns, and will make modifications to the compensation programs, as deemed appropriate. The compensation committee also considers the compensation of boards of directors of the same group of peer companies that the committee considers for the compensation of our named executive officers.

Amount and Form of Director Compensation

Based upon the recommendations of FW Cook, among other things, and our compensation committee’s review of FW Cook’s analysis, our compensation committee recommended to our Board of Directors, and our Board of Directors approved, the following annual compensation arrangements offered to our independent directors for the director service year beginning June 1, 2021, which (with the exception of the annual cash fee for the Nominating and Corporate Governance Committee Chairperson increasing by \$5,000) have not changed from the prior service year, and the compensation committee does not expect changes for the 2022-2023 director service year:

	2021
Annual cash retainer (paid quarterly; may elect to be paid as a stock award)	\$100,000
Annual stock award amount (RSUs with 1-year vesting)	\$120,000
	2021
Annual cash fee for Board Chairperson	\$75,000
Annual cash fee for Audit Committee Chairperson	\$50,000
Annual cash fee for Compensation Committee Chairperson and Risk Chairperson	\$25,000
Annual cash fee for Nominating and Corporate Governance Committee Chairperson	\$25,000
Annual cash fee for Committee Membership (other than Committee Chair)	\$10,000

Directors receive a grant of RSUs equal in value to the annual stock award amount (plus any amount of cash compensation the director elects to receive in stock) on the first day of the director service year. The RSUs accrue dividend equivalent rights and vest on the last day of the director service year unless the director’s service terminates prior to such date in which case the RSUs vest pro rata on such date based on the number of days the director served as director during the director service year.

Expense Reimbursement and Deferrals

We also reimburse our directors for their travel expenses incurred in connection with their attendance at Board of Directors and committee meetings. Our independent directors are eligible to receive restricted common stock, options, and other stock-based awards under our equity incentive plan, although none are currently contemplated other than as described above as part of the annual director compensation program.

We established a Stock Award Deferral Program, described above under “Nonqualified Deferred Compensation Plans.” Under this program, our directors can elect to defer payment of stock awards until termination of their directorship or an earlier specified date. Amounts deferred are tracked as DSUs, continue to receive dividend equivalents, and are paid in actual shares. The compensation committee felt that this program encourages directors’ long-term retention of stock awards earned under our director compensation program.

2021 Director Compensation

The table below summarizes the compensation paid by us to our independent directors for the year ended December 31, 2021.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

This section discusses certain direct and indirect relationships and transactions involving us and certain persons related to us.

Approval of Related Person Transactions

Our Code of Business Conduct and Ethics (the "Code") requires all our personnel to be scrupulous in avoiding a conflict of interest regarding our interests. The Code prohibits us from entering a business relationship with an immediate family member or with a company in which the employee or immediate family member has a substantial financial interest unless such relationship is disclosed to and approved in advance by our Board of Directors.

Each of our directors and executive officers is required to complete an annual disclosure questionnaire and report all transactions with us in which they or their immediate family members had or will have a direct or indirect material interest with respect to us. We review these questionnaires and, if we determine it is necessary, discuss any reported transactions with the entire Board of Directors. Our audit committee is responsible for reviewing, approving, and monitoring of related-party transactions, if any, pursuant to the committee charter. We do not, however, have a formal written policy for approval or ratification of such transactions, and all such transactions are evaluated on a case-by-case basis. If we believe a transaction is significant to us and raises conflict of interest issues, we will discuss it with our legal counsel, and if necessary, we will form an independent committee of the Board of Directors that has the right to engage its own legal and financial counsel to evaluate and approve the transaction.

REPORT OF THE AUDIT COMMITTEE

Since our inception, we have had an audit committee composed entirely of non-employee directors. The members of the audit committee meet the independence and experience requirements of the NYSE. The Board of Directors has determined that each of Messrs. Brian P. Reilly and Abrams and Ms. Bell is an audit committee financial expert and each member of the audit committee is an independent director within the meaning of the applicable rules of the SEC and the NYSE. In 2021, the audit committee met six times. The audit committee has adopted a written charter outlining the practices it follows. A full text of our audit committee charter is available for viewing on our website at www.chimerareit.com. Any changes in the charter or key practices will be reflected on our website.

In performing all of its functions, the audit committee acts only in an oversight capacity, and necessarily, in its oversight role, the audit committee relies on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm, who, in its report, expresses an opinion on the conformity of our annual financial statements to generally accepted accounting principles and on the effectiveness of our internal control over financial reporting as of year-end.

The audit committee has reviewed and discussed our audited financial statements with management and with Ernst & Young LLP (“Ernst & Young”), our independent auditors for 2021.

The audit committee has discussed with Ernst & Young the matters required to be discussed by applicable requirements of the PCAOB.

The audit committee has received the written disclosures and the letter from Ernst & Young required by applicable requirements of the PCAOB regarding Ernst & Young's communications with the audit committee concerning independence, and has discussed with Ernst & Young their independence.

In reliance on these reviews and discussions, and the report of the independent registered public accounting firm, the audit committee recommended to our Board of Directors, and our Board of Directors approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2021 for filing with the SEC. The audit committee also recommends the selection of Ernst & Young to serve as independent public accountants for the fiscal year ending December 31, 2022.

The foregoing report has been furnished by the current members of the audit committee:

Brian P. Reilly, Chair
Mark Abrams
Gerard Creagh
Sandra Bell

The Audit Committee report above does not constitute “soliciting material” and will not be deemed “filed” or incorporated by reference into any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate our SEC filings by reference, in whole or in part, notwithstanding anything to the contrary set forth in those filings.

PROPOSAL 2
CONSIDER AND VOTE UPON A PROPOSAL TO APPROVE AN AMENDMENT TO THE
COMPANY'S CHARTER TO DECLASSIFY THE BOARD

The second paragraph of Section 5.1 of Chimera's Articles of Amendment and Restatement (as amended, the "Charter") provides for the classification of the Board of Directors into three staggered classes, with the directors of one class being elected at each annual meeting to serve a term of three years and until their successors are duly elected and qualify. The Board of Directors has determined that it is advisable and in the best interests of Chimera to amend Section 5.1 of its Charter to eliminate the classification of its Board of Directors over a three-year period, as set forth below, and directed that this amendment be submitted for consideration and approval by Chimera's stockholders at the Annual Meeting.

Chimera's Charter would be amended by deleting the second paragraph of Section 5.1 of Chimera's Charter in its entirety and inserting the following in lieu thereof:

At the 2023 annual meeting of stockholders, each of the successors to the directors whose terms expire at the 2023 annual meeting of stockholders shall be elected to serve until the 2024 annual meeting of stockholders and until their respective successors are duly elected and qualify. At the 2024 annual meeting of stockholders, each of the successors to the directors whose terms expire at the 2024 annual meeting of stockholders shall be elected to serve until the 2025 annual meeting of stockholders and until their respective successors are duly elected and qualify. Beginning with the 2025 annual meeting of stockholders, all directors shall be elected to serve until the next annual meeting of stockholders and until their respective successors are duly elected and qualify.

Prior to approving the amendment, the Board of Directors reviewed and considered the arguments both for and against a classified board of directors. Arguments for eliminating the classification of a board of directors include that:

- a declassified board enables stockholders annually to register their views on the performance of the entire board and each director, which may enhance accountability to stockholders;
- a declassified board, by enhancing accountability, may help to promote good financial performance over the long term; and
- a majority of public companies have a declassified board, and many institutional investors express a preference for a declassified board.

Arguments against eliminating the classification of a board of directors include that:

- classification provides enhanced continuity and stability in the Board's business strategies by ensuring that at any time two-thirds of the directors will have had prior experience with the Company; and
- classification gives the Company valuable protection against an unsolicited takeover unfavorable to stockholders by encouraging would-be acquirers to negotiate with the Board, as the stockholders' elected representatives.

As part of our Board of Directors' review of its corporate governance principles and periodic evaluation of its size, structure, composition and functioning in light of corporate governance trends and recognized best practices, Chimera's Board of Directors determined that it is advisable to amend the Charter to eliminate the classification of Chimera's Board of Directors.

[Table of Contents](#)

If this amendment is approved by Chimera’s stockholders, Chimera will file articles of amendment to the Charter containing the amendment with the State Department of Assessments and Taxation of Maryland. If approved, this amendment would not affect the classified term of any directors elected at or prior to the Annual Meeting. Beginning with Chimera’s 2023 annual meeting of stockholders, as each class’s term expires, the successors to the directors in that class would be elected to serve until the next annual meeting of stockholders and until their respective successors are duly elected and qualify. Accordingly, if this amendment is approved by Chimera’s stockholders, beginning with Chimera’s 2025 annual meeting of stockholders, all directors would be elected to serve until the next annual meeting of stockholders and until their respective successors are duly elected and qualify.

The approval of the proposed amendment to the Company’s Charter requires the affirmative vote of the holders of a majority of all the votes entitled to be cast on the matter. Abstentions, if any, will be the same as a vote against the proposal to approve an amendment to the Company’s Charter to declassify the Board of Directors (Proposal No. 2). Proposal No. 2 is considered a “non-routine” matter that brokers may not vote on without instruction from beneficial owners. As a result, a broker non-vote will be treated as present for purposes of determining the presence of a quorum at the Annual Meeting and will be the same as a vote against this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE PROPOSAL TO APPROVE THE AMENDMENT TO THE COMPANY’S CHARTER TO DECLASSIFY THE BOARD.

**PROPOSAL 3
CONSIDER AND VOTE UPON A NON-BINDING ADVISORY VOTE APPROVING
EXECUTIVE COMPENSATION**

Pursuant to Section 14A of the Exchange Act, we are seeking an advisory vote on executive compensation matters. We currently seek such an advisory vote on an annual basis. The stockholder vote will not be binding on us or the Board of Directors, and it will not be construed as overruling any decision by us or the Board of Directors or creating or implying any change to, or additional, duties for us or the Board of Directors.

While this vote is advisory and not binding on us, it will provide information to us and the compensation and nominating/corporate governance committees regarding stockholder sentiment about our executive compensation philosophy, policies and practices, which the compensation and governance committee will be able to consider when determining the appropriateness of our executive compensation.

At our 2021 annual meeting of stockholders, approximately 86.9% of the votes cast on the “say on pay” proposal voted in favor of our executive compensation. The compensation committee believes the results of the 2021 “say on pay” vote demonstrated that stockholders generally agreed with our compensation program and policies and the compensation of our named executive officers.

The Board of Directors recommends that stockholders vote in favor of the following resolution: “RESOLVED, that the compensation paid to the company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THIS RESOLUTION.

PROPOSAL 4
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM

Our audit committee has appointed Ernst & Young, to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2022, and stockholders are asked to ratify the selection at the Annual Meeting. We expect that representatives of Ernst & Young will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. If the appointment of Ernst & Young is not ratified, our audit committee will reconsider the appointment.

Relationship with Independent Registered Public Accounting Firm

Expenses are generally accrued when services are provided. The aggregate fees billed for 2021 and 2020 for each of the following categories of services are set forth below:

Service Category	2021	2020
Audit	\$2,132,914	\$2,303,500
Audit-Related	0	0
Tax	515,521	389,570
All Other	18,000	263,000
Total	\$2,666,435	\$2,956,070

Audit Fees: Audit fees primarily relate to integrated audits of our annual consolidated financial statements and internal control over financial reporting under Sarbanes-Oxley Section 404, reviews of our quarterly consolidated financial statements, audits of our subsidiaries' financial statements and comfort letters and consents related to SEC registration statements.

Audit-Related Fees: Audit-Related fees are primarily for assurance and related services that are traditionally performed by the independent registered public accounting firm and include due diligence and accounting consultations.

Tax Fees: Tax fees include tax compliance, tax planning, tax advisory and related tax services.

All Other Fees: All Other fees relate to review of securitization deals and other SEC filings.

The audit committee has also adopted policies and procedures for pre-approving all non-audit work performed by our independent registered public accounting firm. Specifically, the audit committee pre-approved the use of Ernst & Young for the following categories of non-audit services: merger and acquisition due diligence and audit services; tax services; internal control reviews; employee benefit plan audits; securitization deals, and reviews and procedures that we request Ernst & Young to undertake to provide assurance on matters not required by laws or regulations. In each case, the audit committee also set a specific annual limit on the amount of such services that we would obtain from Ernst & Young, required management to report the specific engagements to the audit committee on a quarterly basis and required management to obtain specific pre-approval from the audit committee for any engagement over five percent of the total amount of revenues estimated to be paid by us to Ernst & Young during the then current fiscal year. Our audit committee approved the hiring of Ernst & Young to provide all the services detailed above prior to Ernst & Young's engagement. None of the services related to the audit-related fees described above was approved by the audit committee pursuant to a waiver of pre-approval provisions set forth in the applicable rules of the SEC.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR 2022.

Any such nomination or proposal should be sent to Secretary, Chimera Investment Corporation, 630 Fifth Avenue, Suite 2400, New York, NY 10111 and, to the extent applicable, must include the information required by our current bylaws.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires the directors and officers, and persons who own more than 10% of a registered class of the Company’s equity securities, to file initial reports of ownership and reports of changes in ownership of such equity securities with the SEC. Such persons also are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. During the year ended December 31, 2021, Kevin G. Chavers, a director, was late by one day in the filing of his first Statement of Changes in Beneficial Ownership of Securities on Form 4 regarding a single transaction (his initial RSU grant upon becoming a member of the Board of Directors) because he had not yet received his EDGAR filing codes.

Other Matters

As of the date of this Proxy Statement, the Board of Directors does not know of any matter that will be presented for consideration at the annual meeting other than as described in this Proxy Statement.
